Communications read:

- Sept. 18, 2020. **Mitch Miller, KofC VAVS Rep.** (Medical Center (VAMC) Salisbury, VA Health Care Centers (HCC) - Kernersville & Charlotte)

Based on the isolation and challenges our veterans face, they need our support now more than ever! I know it is a tough year for fund-raising, KofC budgets and supporting all the worthy causes that the Knights do each year. I just hope and pray that our veterans are included in your fraternal year finances and you try to provide some level of support during the coming months or in early 2021.

We are still running our annual **“Coats for Vets”** program to supply new, warm winter coats for our veterans at the VAMC in Salisbury. We are taking donations in Oct and Nov and plan on buying and delivering coats prior to Christmas. In addition to coats, I will be working with the VA Voluntary Services (VAVS) staff on-site to see if other new clothing items are in need and we may utilize some of the donations for these items.

Also, thanks to the following KofC organizations for their support of our veterans this summer!!! **Pope John Paul II Assembly 3017 (Kernersville) made the first donation (\$100) for the 2021 National Veterans Games.**

The Faithful Comptroller Report: (SK Jim Foreman):
