- **American flag sale for Veterans Day.** (FN Dennis). Flag sales went well after all Masses Oct. 25/26. Thanks to Pete & Janice, David & Sandra, Mel Littles, and, Bob Yuzuik Sr. for their assistance. A 'Sales to date' summary was given. Donations were also received. A complete report will be made when all sales have been completed and paid for. Additional 3 X 5 will be ordered. Due to member attendance considerations, a 'motion' to purchase the first and second flag order was not made, however one is planned for the Nov. 24th meeting.
- **Assembly/Council shirts.** (SK Henry). Henry discussed sample shirts from 'Combinations Printing & Embroidery Shop' in Thomasville. One sample is a 'dry-wick' material which previously ordered by the Council (maroon color), a second sample is 100% cotton (same material as the existing Assembly red shirt), the third is a 65% polyester/25% cotton blend. It is possible to mix shirt materials on the order at no additional cost, however, the same color may not match perfectly across the materials.

Tentative cost is \$16/shirt up to XL, with an 'upcharge' for larger sizes. There is a \$40 set up charge plus an approx... \$75 to make the logo from the Assembly artwork which Henry has obtained from Supreme. The supplier does not have an Assembly logo in their system. Names on shirts are possible. Cost is an additional \$8. Possible colors were discussed with a preference towards navy blue. Order lead-time is approx... 2 weeks. Henry will work with Dave Paavola to get a detailed order sheet on the website.
