Subject: Many Thanks!

Good afternoon,

Mrs. Bell and I would like to express our gratitude for your contribution to our classrooms again this year. We are grateful for your dedication to these students, even during these difficult times and uncertainty with COVID. We are also thankful for all of the extra hand sanitizer and wipes that you have provided for us. This has been a great help! We look forward to being able to use our funds purchase a new reading program to use with our students next year. We are also looking forward to hopefully being able to meet with you all again in person soon!

Many thanks again,

Erin James and Kenyatta Bell
