The purpose of VHVH is to continue our community's obligation to serve our veterans by restoring a foundation of home, health and spirit and transition them from net consumers of services to net contributors of resources to our community. We operate with a focus on delivering positive outcomes in an efficient manner and I'd like to note some of our most recent accomplishments.

I tell our growing community of supporters that we have one of the best alumni networks in Winston-Salem, North Carolina of veterans eager to serve and contribute to our local community. I continue to share these stories with our partners and future supporters about the great work that is being done at VHVH. And I invite you to visit our website [www.vhvh.org](http://www.vhvh.org) regularly to learn about our growing participants of veterans who have a renewed sense of mission and purpose.

On behalf of the VHVH family I'm grateful for your partnership in restoring the home, health, and spirit of our veterans.

Sincerely,

*Ron Connor*
