Chaplains Message

By Fr Carter

October is Respect Life Month, thanks to the Knights for their support. Shared a message of Charity with the quotation, "Some people only see the poverty, they don't see the poor". During our Charitable works, remember to see our neighbor, as the individual. Then we can begin to see Christ in that person. We are pro-life because we see the potential that life has. Life is always better when lived in a brotherhood.
