Dear Knights of Columbus,

Thank you so much for attending my Mother, Grace Lundergan's funeral Mass and for providing the Honor Guard. It was so very kind and thoughtful of you to take time from your Saturday and to honor Grace in this way. What a surprise and so special! She and Bob loved the Knights and have shared many memories of great times, fellowship, friends and service. The entire family is honored that you remembered Grace in this way. Thank you so very much! Carolyn Hall and the Family of Grace Lundergan
