

Dear Mr. Baden,

Through your recent financial gift, you've shown your neighbors in a financial crisis **love**, the greatest gift anyone could receive. You've let them know **you care** about their well-being.

Because of you, neighbors in Forsyth and Stokes Counties are getting much-needed assistance with food, prescription medications, and financial assistance with rent, mortgage, and utility payments to solve their crisis.

You've given them that relief! You're **giving help for today and hope for tomorrow**.

Summer is here! There will be cookouts, 4th of July celebrations, and children enjoying the pools, trying to stay cool. While summer represents vacations and relaxation, many of our neighbors view summer as another season of financial struggle – neighbors like Christina. In 2021, Christina lost her job due to downsizing from the effects of the COVID-19 pandemic. That job loss caused her to lose her housing. She was working but could not afford housing. As a result, she stayed in hotels and sometimes with family, often sleeping on the couch. Recently, Christina got a new job paying enough to secure housing. However, she needed assistance with her initial move-in expenses. Because of your generosity, CCM was able to help this hardworking young lady get back on her feet by helping with those expenses. Thanks again!

Thank **you** for making a real difference in our community! Together, we are making our community a better place for all people.

Gratefully,

Margaret P. Elliott
Executive Director
