

Jean Dion, Carl Darkes,
Bruce Baden, Virgil Tetworth, Paul Ludgen.

I so much appreciate the
yard work that has been done.
Because of you,

there's someone who
is thanking God today,

Someone who appreciates
your warm and caring way,

Someone who's remembering
the special things you do

And wishing you His blessings
every day

the whole year through.

with gratitude,
May God bless you.
