

Neighbors Helping Neighbors for More than 50 Years

Dear Mr. Baden,

Through your recent financial gift, you've shown your neighbors in a financial crisis **love**, the greatest gift anyone could receive. You've let them know **you care** about their well-being.

Because of you, neighbors in Forsyth and Stokes Counties are getting much-needed assistance with food, prescription medications, and financial assistance with rent, mortgage, and utility payments to solve their crisis.

You've given them that relief! You're **giving help for today and hope for tomorrow**.

We received the following note recently from a person who visited Crisis Control for assistance:

"I was so scared to ask for assistance because I was afraid of being frowned upon, but I am so grateful that I did because the compassion, respect and empathy shown to me during this difficult time in my life was so needed, and I will be sure to pay it forward."

In this Valentine's Day month, let's also celebrate the love that we can give to our neighbors who are struggling financially to make better lives for themselves and their families. Thanks to your support, CCM interviewers take the time to listen to the stories of those who reach out to us for basic life needs.

Thank **you** for making a real difference in our community! Together, we are making our community a better place for all people.

Gratefully,

Margaret P. Elliott
Executive Director
