Horizons Residential Care Center, Inc.

2835 MEMORIAL INDUSTRIAL SCHOOL ROAD
RURAL HALL, N. C. 27045

An Introduction to Our Services

Horizons Residential Care Center, Inc. is a private, non-profit program that provides comprehensive developmental services in a residential setting for severely and profoundly retarded and often multihandicapped children of our community. The program is designed to help each individual child reach his maximum potential through continuing care, love, education, and habilitative services.

Like most other human services, Horizons was started because of an unmet need in our community. Families with substantially retarded children were often given no choice but to seek state institutional placement when the child's disabilities were such that the family and child needed more help and assistance than day services alone could provide. But more often than not, institutional placement was denied because of serious overcrowded conditions and because of our State's mandate to reduce the number of people already placed in mental retardation institutions. Also, the longer term, out-of-home placements once provided through the community service of Amos Cottage were becoming unavailable due to necessary changes it underwent as a Rehabilitation Hospital which was to provide more shorter term hospitalizations for medical treatment and services for evaluation and therapeutic intervention purposes.

This community need was brought to the attention of the Junior League which was looking for an appropriate project to commemorate their fiftieth anniversary of community service. Coupled with this information was their knowledge that the Memorial Industrial School, a private orphanage, was seeking a new use for their facility. After much study, planning, and promises of community and state support, Horizons was incorporated as a private, non-profit, tax exempt program for the purpose of providing comprehensive residential services for mentally retarded children. The first group of children were accepted in August of 1974, with services provided in renovated structures on what was once the campus of the Memorial Industrial School Orphanage in rural north-central Forsyth County.

With present facilities, Horizons is able to serve twenty-nine children who are between two and eighteen years of age. In keeping with our community orientation, first priority for services is given to children from Forsyth and Stokes Counties. One building is reserved for twenty children with multiple physical handicaps that prevent them from walking or caring for their own basic needs in addition to having a diagnosis of severe or profound mental retardation. Although the children often have medical disabilities, their health needs must not require skilled-level nursing services. Children may also not be accepted who possess emotional or behavioral disorders for which adequate programming, staffing, or appropriate living environment is not available.

An Individual Program Plan is developed for each child served which describes the services to be received and establishes goals, objectives, and priorities for the year. Information is obtained through medical, psychological, educational, nutritional, physical therapy, and other evaluation sources necessary for the development and implementation of the individualized plan. Parental involvement is an inherent part of this process and continues throughout the child's placement at Horizons. A complementary team of special education teachers, nurses, direct care workers, and other supportive personnel works together to maximize the resources available in order to better assure the meeting of each child's needs.

The programs and services provided by Horizons are designed according to standards, regulations, licensure, and certification requirements of the Department of Human Resources' Division of Mental Health, Mental Retardation, and Substance Abuse Services as well as the Division for Exceptional Children of the Department of Public Instruction. Since Horizons is an integral and valued part of our state's and our community's service plan for mentally retarded children, these agencies and the Forsyth County Community Mental Health Center provide financial support toward the cost of the services provided. Equally as important is the financial support that private individuals, churches, civic and service groups, and community trusts and foundations give to Horizons. It is this combination of public and private support that started Horizons and which remains vital to its continuation in our community today.

Referrals may be made and additional information may be secured through contact with our Executive Director. Please call (919) 767-2411 or write us at the letterhead address.

GENERAL DESCRIPTION OF PROGRAM

Horizons Residential Care Center, Inc. is a private, non-profit program that provides comprehensive developmental services for mentally retarded multiply handicapped children in a twenty-four hour per day residential setting over an extended period of placement. The center is certified by the Division of Mental Health, Mental Retardation, and Substance Abuse Services as a Specialized Community Residential Center for children who are mentally retarded. Horizons is further certified by the Division for Exceptional Children in its delivery of special education and related services. Developmental training and special education services are complimented through the provision of routine health and nursing services, residential living services, nutrition, and social work for the child and family. Individualized education and habilitation plans are developed and implemented for each child which are designed to promote maximum development and to minimize the risk of potential progressive severity of associated handicapping conditions.

ADMISSIONS AND REFERRAL CRITERIA

An Interdisciplinary Team employs criteria and guidelines for placement consideration that are established by the Horizons Board of Directors and various public regulatory agencies such as the Department of Human Resources and the Department of Public Instruction. The number of residents admitted is limited by the rules and regulations governing our rated licensed capacity of twenty-nine.

Examples of admissions and referral criteria are as follows:

- a. The child must have a diagnosis of severe to profound mental retardation and may have other disabilities.
- b. Legal and primary residence for the family and child must be maintained in North Carolina.
- c. Priority placement consideration is given to:
First - Residents of Forsyth and Stokes Counties.
Second - Residents of other counties within the North Central region.
Third - Residents of remaining counties in North Carolina.
- d. Children must be between two years and eighteen years of age.
- e. The child's health needs must not require skilled level nursing services.
- f. The child must not possess an emotional, personality, or behavioral disorder for which adequate programming, staffing, or appropriate living environment is not available.
- g. The placement would be the least restrictive alternative available to meet the needs of the child and family.
- h. The center is able to meet the child's needs through adequate programming and other program variables.

OVER

COST OF SERVICES

A monthly fee for residential services is determined based on a financial assessment of the family's resources and the availability of other resources to cover the cost of care. Parents or guardians are also responsible for the payment of medical, dental and other such expenses for examinations, treatments, hospitalization, laboratory work, and medications as needed by the child.

REFERRALS

Referrals may be made and additional information secured through written contact with Horizons or by calling (919) 767-2411.

what people are saying about teen challenge

"Of all the programs for drug addicts reported to the commission, the most successful is the religiously based program . . . Teen Challenge."

Dr. John A. Howard
National Commission on
Drug Abuse

"There is no question in my mind that the Teen Challenge program is the most successful one I have ever seen."

Dr. Catherine Hess
Former Narcotics Adv. to
PA Sec. of Health

Our first reaction was total disbelief. After witnessing the failures of the medical community, several county and state programs, and also our own failures, this miracle healing of our son, Shane, was hard to grasp as real. As we realized a new beginning with Christ was a matter of fact for our son, we then took time to Praise the Lord and thank Him; OUR CUP RUNNETH OVER WITH JOY.

Tom & Frieda Morris
Pensacola, Fla.

"I know the program to be one that has proven itself extremely effective in rehabilitation of young men with serious problems. I recommend it highly as a possible alternative to incarceration for correction."

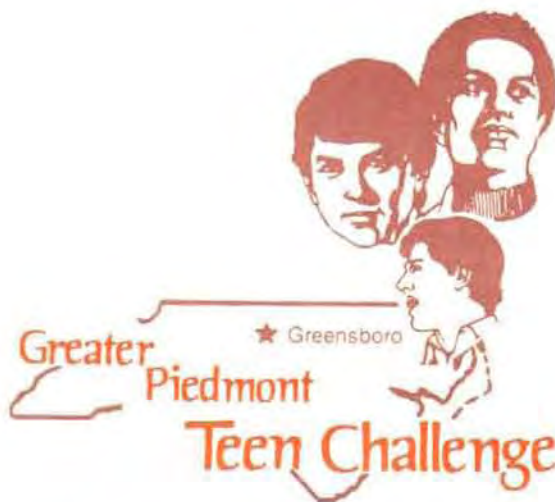

Thomas D. Cooper, Jr.
District Court Judge
15th Judicial Dis. NC

"I commend the Teen Challenge program for its vital activities, particularly in aiding the teenage drug addict."

Jennings Randolph
U.S. Senator

background

Greater Piedmont Teen Challenge is a non-profit organization that serves young men who have life-controlling problems associated with drugs and alcohol. Our residential center is located in Greensboro, N.C. and receives referrals from all over the Southeast.

Established in 1975, this Christ-centered ministry is associated with the national organization of Teen Challenge which was founded by David Wilkerson in 1958. Since its beginning, thousands of young people have conquered life-controlling problems as students in Teen Challenge programs. Currently, there are about 150 Teen Challenge centers throughout the world.

approach

The Teen Challenge program is based upon four principles:

- There is HOPE for the troubled young person if they sincerely desire a change.
- Their troubles with drugs, alcohol, family and the law are only symptoms of the real NEED.
- They need to become WHOLE Persons. By this we mean: mentally sound, emotionally balanced, socially adjusted, physically well and spiritually alive. We are interested in them as an individual and not just to rehabilitate a member of society.
- The ultimate answer to their problems lies in a personal relationship with Jesus Christ.

program

The Teen Challenge Program consists of five phases:

Phase 1—EVANGELISM

This is basic confrontational evangelism, i.e., street meetings, jail and prison ministry, help-line services, substance abuse prevention programs, drop-in counseling, and literature distribution.

Phase 2—CRISIS INTERVENTION

Young people with life-controlling problems are provided a place to stay long enough, (1) to meet the immediate crisis, (2) to receive a clear witness of the Gospel, and (3) to evaluate their need or desire for the long-term discipleship training offered by Teen Challenge.

Phase 3 — INDUCTION

This phase begins the discipleship process and involves a minimum of 3 months of residential training in Greensboro. Character development and spiritual growth are achieved through daily Bible study, chapel services, work and recreation programs, and frequent counseling.

Phase 4—TRAINING CENTER

During this long-term residential phase, significant Christian growth and development is acquired by the student through Bible-centered academic and vocational training. This phase is 8 to 12 months in length. The National Teen Challenge Training Centers are located in Pennsylvania and Missouri.

FIRST CLASS
Permit No. 1
SEDALIA, NC

Phase 5—REENTRY

This phase is usually provided by Induction Centers and provides to program graduates many or all of the following services: temporary housing, personal and family counseling, assistance in finding employment, and vibrant church fellowship.

success rate

The success rate of the Teen Challenge ministry is astounding to say the least. Of all those who complete the entire program, 80% or better go on to live a drug & alcohol free life. 73% or better gain employment and become self-supportive; 70% or better go on to obtain further education. (Statistics taken from government funded research done on Teen Challenge in 1975.)

a few words from two of our graduates

Garry Roe

I praise the Lord for delivering me from 11 years of drugs and rebellion. The Teen Challenge program enabled me to set my feet on that Solid Rock — Jesus Christ.

Tim Hensley

Although I was raised in a good Christian home, by age 18, I was involved in drugs, alcohol, and crime. I thank God for the help I found at Teen Challenge.

how is teen challenge supported?

This center is supported entirely by the contributions of individuals, families, churches, and organizations. The primary means of contributing is through our 300 CLUB, a fellowship of concerned individuals, families, churches, and organizations who pledge a monthly amount — \$10 ... \$20 ... \$50 ... or more. Other gifts come in the form of Memorials and Honorariums. We also receive gifts of clothing, food, toiletries, and equipment. No single organization underwrites this ministry. With the confident knowledge that God has raised up this ministry, we earnestly solicit your prayers, inquiries, and financial support.

Debra's husband left her and her two children. She has applied for several jobs. Her savings are almost exhausted. She has applied for Food Stamps and Aid to Families with Dependent Children, but it will be a month before either program can process these applications. Crisis Control assisted Debra and her two children with food.

Luke 14:13

Jim has cancer. His prescription drug bill is \$120 a month. His wife is working full-time but finds that it is impossible to purchase all of his medicine and maintain the regular household expenses. Crisis Control bought a month's supply of Jim's medicine.

"Ask and it will be given you; seek, and you will find; knock, and it will be opened to you."

Luke 11:9

Mary has worked seven years for the same company. She was laid off two months ago and has found that her unemployment check will not meet her current expenses. She has a cut-off notice from Duke Power Company. Crisis Control assisted Mary with \$43.50 toward her power bill.

CRISIS CONTROL MINISTRY

ANNUAL REPORT 1983

Bringing Together...

People in Need

with

People Who Care

A COMMITMENT TO MINISTRY

Since 1973, church congregations, foundations and concerned individuals in Forsyth County have been combining their resources through the Crisis Control Ministry to meet the survival needs of county residents. The Ministry provides assistance in the areas of food, clothing, medicine, utility bills, rent payment, fuel oil and transportation. A small paid staff works with 425 dedicated, caring volunteers to minister daily to those in need.

With a growing awareness of community needs, Crisis Control has grown . . . from a core of 12 supporting churches in 1973 to 240 supporting congregations in 1983 . . . from a caseload of 5,646 in 1974 to 17,722 requests for assistance in 1982 . . . from expenditures of \$48,714 on clients in 1974 to \$349,034 in 1982 . . . from 35 charter volunteers to the current workforce of 425 individuals. A satellite office was opened in Kernersville in October, 1977, to serve people in the eastern part of the county. In March, 1981, the Samaritan Soup Kitchen opened its doors to provide one hot, nutritious meal a day for the hungry. In its first full year of operation, it served 48,130 meals.

All this has been possible because of a strong commitment on the part of this community to those in crisis. Indeed, the Ministry has provided a place to bring together people in need with people who care.

DIRECTOR'S MESSAGE

The story of Ministry never grows old or dull. Luke's account of the Good Samaritan reaches out as we read it to grasp us over and over again. Crisis Control Ministry, after a decade of service to this community, remains vibrant and unique. We are still in the grip of the dream, searching constantly for new ways to serve those in need.

During these ten years, we have seen the number of people who lack the basic necessities of life increase dramatically. We have also witnessed the tremendous growth in awareness and response of concerned Christians to the poor, the hopeless, the powerless. The Ministry unites across all boundaries people who care with people in need. To be in the place where concern and need meet is to stand on holy ground in what must surely be part of the Kingdom of God!

Thank you for creating us, for sustaining us, and for being a community that daily lives out the central message of Ministry found in the Gospels. May we go forward to serve together with renewed commitment and excitement.

FEBRUARY GRADUATES

The young men shown below completed last month. John (far left) completed 14 months here at GPTC and has returned home to his parents. Charles (center) went on to the Missouri Training Center. Rocky went on to the Pennsylvania Center. We thank God for His work in their lives.

From the Director

"Brethren pray for us." I Thess. 5:25

God has answered many of our prayer requests this month. Three key staff positions were filled, eight new students entered the program, four students will graduate this month, and we have a new ice maker. Praise be to God!

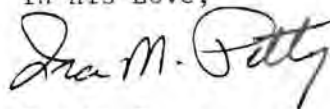

We have recently heard from Randy who was with us for three months before entering prison. He says God is giving him victories each day and he is thankful for the spiritual growth he achieved while at Teen Challenge.

Last Sunday night our Folk Team shared in Raleigh. In the congregation was Joe, a former Teen Challenge graduate. After the service we were told how Joe had led three young men to Christ as they waited to enter a rock concert. One of the converts tore up his ticket and returned to South Carolina. We praise God for what He is doing in Joe's life.

We have several prayer requests for you this month. Many of our new students are having a struggle giving up cigarettes. Pray that God will deliver them from the desire to smoke. We also have several students who have never made a commitment to Christ, and we ask you to pray that God will stir their souls that they will be saved and filled with His Spirit.

We thank you for your continued support and for interceding in our behalf. We continue to believe God for the victory. May God bless you for your faithfulness.

In His Love,

THE COMMUNICATOR

HOLY CROSS CATHOLIC CHURCH
KERNERSVILLE, NC

FROM THE PASTOR'S DESK

Dear Parishioners,

Four Years ago today, I became pastor at Holy Cross. In those years, the parish has obviously grown tremendously in numbers, in activities and in programs. Less obvious but even more gratifying is the growth in the number of people involved in the mission of the parish. Almost every evening of the week, groups representing the various commissions and committees of the parish meet to plan and implement activities. Others meet to run various programs. All of this work has resulted in a sense of mission and quality which is outstanding.

Looking ahead, I see many challenges facing us, however I can only be optimistic about this community's ability to continue to grow and prosper.

Yours in Christ,

Father Harry McGovern

OLD BUSINESS

Dixie Classic Fair Booth

Kathi Culler has investigated the Dixie Classic Fair Booth and recommended that we commit ourselves to operating it this year. Holy Cross will purchase used kitchen equipment from Temple Emmanuel costing approximately \$3,000. This equipment will be used in future fairs & parish functions.

The motion to participate in the Dixie Classic Fair and to purchase the equipment from Temple Emmanuel was seconded and passed.

NEW BUSINESS

Planning and Development Committee made the following recommendations to the parish board.

1. Begin immediately on a program to obtain the services of a second priest.
Incorporate in new parish house living accommodations for 2 priests.
Make Oblate order aware of our desire/need for a second priest to serve as temporary D.R.E. until a permanent D.R.E. can be added.

- Prepare to show Oblates that we can support a second priest financially.
2. Immediate program should be established to refinish old parish house to accomodate as many classrooms as possible for CCD/meeting rooms that could be used by Scouts etc. August 31, 1984 implementation.
 3. Depending on need, investigate dividing the commons area into two classrooms for CCD, etc.
 4. A plan of action should be taken to purchase properties that border Holy Cross for future expansion as needed.
 5. Immediate action must be taken on development of Master Facilities Plan detailing permanent long range plans for building expansion. Plan should be modular (i.e. CCD wing etc.) with dates assigned for the completion of each phase of the construction. Master plan must be completed by November, 1984. After needs have been ascertained, appointment of a committee to follow through will be done by the board.
 6. Pave additional parking lot. However, before decision to pave any new area is made, a Master Building Plan must be established to determine the exact location of permanent parking sites.
 7. Development of fund drive must be initiated immediately to support the growth needs of the parish. Implementation should follow the establishment of our priorities.
 8. Make plans for hiring a D.R.E. no later than June 1986.
 9. Require action from the Education Commission in the following areas: Curriculum-improve level of religious learning, Certification of teachers, Determine why only a portion of K-8 and less than 25% of High School students attend CCD and take steps to improve attendance, Make any changes needed by 1984-85 school year.
 10. Require action from the Spiritual Life Commission in the following areas: Reduce noise level at Masses, Improve music at Masses.
 11. Require action from the Family Life Commission in the following area: Investigate more activities for elderly and single adults and implement as needed.

12. The Planning and Development Committee is to begin updating the 5 year plan in the fall of each year.

It was moved that the board adopt the 12 proposal and assign specific responsibility to Commission and appoint special committees for implementation of each proposal. Commission and special committees should be placed on the **A**genda of each board meeting and report their progress each month. The motion was seconded and passed.

Father Harry presented these thoughts on finances:

The Child Development Center has been self-sufficient operating well in the black and contributing to church income for some time... Gail Hill has tendered her resignation as Director of Child Development Center and Coordinator of Religious Education and the board along with Father wished to recognize her and thank her for her time and efforts.

Father moved that we hire a certified Director of Child Development who will be paid from Child Development income. It was seconded and passed.

Father moved that we hire a Coordinator of Religious Education for a 1 year period. The motion was seconded and passed. The Education Commission is to meet to formulate a job description, recommend salary and hours. The C.R.E is to be hired by July, 1984.

Father moved that a secretary/receptionist be hired for the parish working part-time. The motion was seconded and passed.

Minutes of June 24, 1984

OLD BUSINESS

Members of the board met with Father O'Neil, Asst. Provincial and Personnel for the Oblates, to make him aware of the need for a second priest at Holy Cross.

Father explained that normally a second priest is not allocated to a parish until it reaches 500 families. However, he indicated that the abundance of activities at Holy Cross may somewhat outweigh the "500 family" policy. He requested that a letter be sent to his office, illustrating our need for a second priest. Though it is not possible to get a priest this year, feeling was strong for the possibility of getting a second priest in August, 1985 subject to the approval of the bishop.

NEW BUSINESS

The Finance Commision presented the 1984-85 budget which was discussed in detail and adjusted. Although the budget includes everything that Holy Cross is currently spending and new items that Holy Cross needs, based on current collections we cannot realistically meet the itemized expenses unless collection increase to \$2,500 per week.

The budget was approved as adjusted with one negative vote... Father Harry noted however that all programs and expenditures are to be put on hold until such time as the \$2,500 per week figure is actually met.

COMMISSION REPORTS

Finance

Have finished the budget for 1984-85 fincal year. It was approved by the board June 24, 1984.

Community Life

Preparing for the arrival of the migrant workers to Holy Cross. The committe is lining-up food, clothing transportation and a Spanish Mass/pot luck luncheon for the migrant families. The mass is scheduled for August.

Needs canned apple sauce for Crisis Control. This is a constant need so please remember to bring cans; they can be left in the kitchen.

Communications

We have launched our first and top priority project for the 1984-85 fiscal year, with the initial publication of a quarterly newsletter of parish news. Future publications are scheduled to issue in October, 1984, January, 1985 and April, 1985. Please be thinking of ways you can input to the newsletter and keeps our parish better informed.

Presently planning to coordinated the continuance of "Community Meetings" such as the one held between Masses to discuss the results of the parish survey. It is envisioned that these meetings would be staggered so as to be scheduled approximately 6 weeks after each newsletter. Keep abreast of the schedule of these meeting through the bulletin.

Communication Commision meets the last Wednesday of each month at 7:45PM. We have much work to accomplish this year and can sure use good help. So... GET INVOLVED. Come to our next meeting. Or contact Ed Frappier (996-6174) or Dan Rossi (996-3986) for more information.

Spiritual Life

The commission is investigating various possibilities in the areas of music and quiet time before Mass.

Beginning in October, we are hoping to offer workshops in Liturgy for the parish, and for the individual groups that are involved in Liturgy.

Family Life

Our "Summerfest" was a huge success. About 350 people attended. We had a variety of activities for all ages including a rock band. A similar Barbeque is in the planning for October.

Looking Ahead: there will be a childrens' Halloween Party and also an Adult Party planned for the end of October. More details in upcoming newsletters.

Family Life is also finalizing plans for the C.Y.O. pasta dinner on July 14th, and C.Y.O. retreat Sept. 21.

We've come along way from our beginning as a mission in a former antique shop on Main Street. September 8, 9th we will celebrate our 15th anniversary. Plans

for special activities are underway, so be sure to mark your calendar and join the celebration.

If anyone is interested in helping the Family Life Commission, contact Marcia Potter or Carol Benford.

Education

The education commission is concerned with the educational needs and programs of the parish, specifically the Child Development Center, religious education of youth and adult education. We recently completed a five year plan in which we identified strengths and needs of present programs and recommendations for improvement.

Education Commission members include: Richard Jones, Judy Olzac, Jeanne Weyant and Maureen Kenny. In order to better address parishioners' concerns, we need increased membership. If you are a parent of a child in C.C.D or Playschool/Daycare or a CCD or Playschool teacher or have an interest in Adult Education, please join the Education Commission. We meet on the third Sunday of each month at 10:30AM. Call Maureen Kenny at 993-8455 or leave your name at the parish office if you can help us this year.

Coordinator of Religious Education: Holy Cross is fortunate to have the services of Ms. Maribeth Nash as our C.R.E. for the summer. Maribeth has a Master of Education in Counseling from UNC-G. She worked as the Coordinator of Youth Ministry for the Diocese of Raleigh. For the past 2½ years, she has been employed as the associate at the University Catholic Center doing counseling, religious education, administration, coordinating retreats and "a little bit of everything". Maribeth's background and enthusiasm will enable Holy Cross to add depth and strength to our CCD programs. This summer Maribeth will be organizing our CCD program and classes for September, planning certificate workshops for CCD teachers and programs to involve parents in religious training of children. Please share your thoughts about our religious education needs with Maribeth. We hope we will have the benefit of her expertise during the school year as well.

Child Development Center: We are pleased to welcome Ms. Jenna Clayton as the new Director of the Child Development Center. Jenna has her B.A. in Elementary Education and her Master in Early Childhood Education. She has been involved with the Child Development Center since its inception-initially as a parent and for the past year as a four-year-old Playschool teacher. Jenna is most enthusiastic about her new responsibilities and is anxious to discuss the Day-care and Playschool programs with parish members. Our Daycare programs serves children from infancy through 5 years of age. The hours of the program are 7:00AM until 6:00PM Monday through Friday. At present we have only a few openings in selected age groups. Playschool will begin on Tuesday, September 4. Classes are available for 2,3 and 4 year olds as well as a kindergarten program for children who will be 5 by October 15, 1984. At present we have a few openings in each class. Playschool teachers are busy preparing exciting learning experiences for the children. They attended a week-long workshop in June given by Dr. Barbara K. Bowie and will attend the NCAE Early Childhood workshop this fall in order to gain skills to help each student reach his potential for growth in all areas.

ACTIVITIES

C.Y.O

In the past year the C.Y.O. has participated in many activities. On September 9th we had our Parents Night Out at church. In mid- November we had a highly successful car wash at McDonald's. All the money raised went to our annual ski trip. This years we went on February 11th to Cascade Mountain in Virginia. We started our new C.Y.O. season on June 5th with election of new officers and induction of new members. Our new officers are: Danny Dolesh, president; Donna Baginski, vice president and Frank Tiano, Treasurer. On June 9th we worked on the church. Under the direction of Father Harry, we cleared much of the brush alongside the new rectory. Saturday June 23rd, we went to Carowinds. We thank all those who helped

our group in the past year and we look forward to working with all our new members.

Junior C.Y.O.

This year we have accomplished many things. During the time of Lent, we practiced and held a live Stations of The Cross on Good Friday. We have also participated in a variety of things to raise money for the treasury. We have held 2 doughnut sales and we raked leaves in the fall. Recreational activities have also occurred. We went to Pizza Hut and celebrated after the Stations. We also had a pizza party at Father Harry's House. On June 23rd we went to Carowinds. Everyone enjoyed the rides.

Holy Cross Quilters

Ladies of all ages and talents, meet every Thursday from 9:00AM to lunch. We are very informal. Some quilt, knit or sew... you name it... we do it. We share our expertise and we are just as likely to call on yours. It is a great way for new members of the parish to get acquainted. You don't even have to belong to the parish... come and enjoy the fellowship and a cup of coffee. Right now we are working on a quilt to be raffled in early fall, and umpteen other projects for the Fall Bazaar in November. Everyone is welcome. There are no dues and no official membership. Agnes Neal is the official quilting expert and teacher. Just come and you are part of the group. You don't even have to work... but it is catching. I'll bet you will catch - on.

Women of Holy Cross

We started the new year with dinner at Western Steer Steak House May 23rd followed by the elction of officers. The following women were elected: Candy Petite, president; Diana McCracken, vice president; Marlene DuBose, secretary; Pat Eddleman, treasurer. Fund raising efforts for Holy Cross include cooking and serving at least three dinners over the summer. Yard sale planned for August. Preparations for the 2nd Annual Bazaar in November have already started. In September the women will meet once a week to work on crafts for the Bazaar. All women of the parish age 18 and over are invited to join in the monthly

meetings. Your participation and fellowship will increase service to God and to Holy Cross.

Scouting

Boy Scouts: Meet Mondays at 7:30PM until 9:00PM in the commons area.

Webelos: for boys 11 years old. Meeting time and day to be announced.

Knights of Columbus

Started on December 2, 1983 with the First Degree ceremony held at Holy Cross, the K of C is becoming an increasingly active group within the parish. The tiling of the church floor, completed for Easter and the recent construction of the Jungle Gym set, with the aid of the Boy Scouts, have been some K of C projects. In June, other projects included assisting the Family Life Commission with the picnic by collecting monies between Masses for the event and aiding the Women's Club with the fish fry dinner. This council was recently awarded a plaque at the State Convention for "Best Progress - New Council". At the first annual Awards Dinner, held June 25th, the following members were honored as Knight of the Month:

December: Al Livelsber, Dan Rossi
January: Tony Petite
February: Father Harry McGovern
March: R.V. Wakefield
April: Bob Lundergan
May Phil Faingnaert

A big project scheduled to commence in August is to aid Father Harry with the moving renovation, etc., that will be necessary when the newly acquired house becomes vacant. Bob Lipstreu and Mike Staddon have already begun some initial coordinating activities. Much help will be needed for this project. For more information please contact Bob 595-4050.

The K of C business meeting is held the second Wednesday of each month at 8PM. A social meeting, open to anyone wishing to attend, is held the fourth Wednesday of the month in the Commons at 8PM. A guest speaker is usually present to give and interesting talk at each social meeting. Recent topics covered at these meetings have included: Teen Challenge, Aerobics and Right to Life. Check the Holy Cross bulletin for the next interesting topic to be covered and stop in for a rewarding hour. Bring a friend... bring the whole family. The Knights would love to see you there.

Any Catholic male, 18 years or older, wishing to find out more about the K of C or desiring admission to this council, please contact Bill Gerishten 993-3415. He will be glad to discuss the Knights with you.

REFLECTION

Worship...Why We Care

We love the Lord. The most special experience of His love for us and our love for Him and one another is the Mass. The quality of our worship together is a fairly good indicator of our love. If our expression of worship is obviously filled with care, enthusiasm and vitality... normally we come away from the experience inspired and refreshed in spirit. If our worship is dull, routine, lifeless and obviously "Thrown Together", God is not particularly honored,

and we come away with a weakened faith. Father Harry made it a point to emphasize this week that our worship requires all of us to put something into it. If we do, then Mass is so much more than something we attend... it is the peak experience of God's love for us, and the very best expression of our love for Him. If we do put ourselves into it, then Communion is not only received but also created. We believe that our worship could be so much more enriching than it is presently. We say this because we know the Parish... it's faith, the spirit of care and concern that's evident. Improving the quality of our worship is simply letting the richness we already possess in Christ be more evident. In the next weeks, we will try to focus together on the different aspects of our worship. Thanks for your cooperation.

The next scheduled newsletter will be published October 9, 1984. Help us to communicate your news to the parish... Communicate with us... Deadline is September 26, 1984.

Hi!

Welcome to Holy Cross. It is good having you as part of our community.

From the welcome packet you may have already gotten the impression that a lot goes on here at Holy Cross. That's true. We are very proud of our different programs: Child Development, Scouts, Youth, C.C.P., Social and Service. However, as good as these programs are, they are not the heart of our community. First and foremost we are a Faith community which gathers to celebrate liturgy and the sacraments. All other activities help build the community necessary to pray, to worship and to celebrate.

I hope you become active in our community-- we need you. Also I would like to get to know you. How about an invitation to visit your home in the near future?

Let me know if I or the community can help in any way.

Sincerely,
(Fr) Harry McGovern
Fr. Harry McGovern O.S.F.S.

PARISH HISTORY

The history of Holy Cross demonstrates what can be accomplished when Christian optimism is put to work. This dedication signifies the faith experience which begun in 1969 by the sixty-one catholics living in the Kernersville area at that time.

When the idea of a church of their own was first conceived, Father Pharr and Monsignor Newman, pastors of the two Winston-Salem parishes, offered assistance in presenting this idea to the Most Reverend Vincent S. Waters, Bishop of Raleigh.

Once established as a mission of St. Benedict the Moor Parish, the parishioners put their talents to work in converting Shouse's Antique Shop at 419 South Main Street into the home of the Kernersville Catholic Mission.

The Rev. William Pharr, pastor, celebrated the first Mass at 12:00 noon on September 7th 1969.. On August 30th, Father Pharr was transferred to St. James Church in Concord and Father Beatty was named his successor at St. Benedict's and the Mission. Father Beatty continued his weekly excursions to Kernersville to serve the growing Catholic population.

On January 12, 1972, Kernersville Catholic Mission became part of the newly established Diocese of Charlotte and the Most Reverend Michael J. Begley became the new Bishop.

In September of 1973, the Reverend Leon Bolich of the Oblates of St. Francis DeSales became the first full-time pastor in Kernersville. On September 22, the Mission was officially established as a church and was named HOLY CROSS. Approximately tow hundred fifty people were served by the parish at that time.

In July of 1974 a six and one-half acre tract of land on Southern Street was purchased as a site for a future church. The possibility of building a church was the main topic of discussion at the May 1977 Parish Board Meeting. In January of 1978, Holy Cross Parish presented a building plan to the Diocese. With the Diocesan approval, the parish moved forward and in March the project chairpersons were selected and the work begun.

On Sunday afternoon, April 30th, the ground-breaking ceremony was held. Finally, during May 1978 construction began on the new church building. On October 29, 1978, we dedicated Holy Cross Church.

Fr. Bolich left for a teaching position at High Point College in the summer of 1979. Father John Gavin, Former pastor of St. Josephs, Asheboro, N.C. Moved to Kernersville as his replacement in August. He Brought with him a young priest from Philadelphia to be in residence while he taught at Bishop McGinnis High School, Winston-Salem, Father Harry McGovern. Ten months after his arrival, Father Gavin was called home to Pennsylvania. Father Harry acted as administrator, awaiting the joint determination of his order and the diocese of the new pastor; he discovered he was the one chosen.

By the end of 1981 it was clear Holy Cross was straining for space to accommodate the many educational and congregational activities required by the people. A two year successful venture into child day care was the catalyst needed by the pastor and parish board to expand. On October 24, 1982, in renewal and with joy we dedicated the enlarged facility to the honor and glory of God.

Knights of Columbus

Holy Cross Council
8509

25th Anniversary
Celebration

April 18, 2009

In 1882 Father Michael J. McGivney founded the Knights of Columbus, an organization that has helped to save countless families from the indignity of destitution. From its uncertain beginnings, it has grown to an international membership of 1.7 million men. The Knights of Columbus are based on the Order's principles of Charity, Unity, Fraternity, and Patriotism.

After three attempts, the Holy Cross Council 8509 was finally organized on December 3, 1983 with 34 members and has since grown to over 200. We are an important part of the church serving in many capacities and perform works of charity both within our parish and within our community.

Thank you, Brother Knights, for 25 years of prayers, charity, and good works.

We Remember Them

*In the rising of the sun
and it's going down,
we remember them.*

*In the blowing of the wind
and in the chill of winter,
we remember them.*

*In the warmth of the sun
and the peace of summer,
we remember them.*

*In the rustling of the leaves
and the beauty of autumn,
we remember them.*

*In the beginning of the year
and when it ends,
we remember them.*

*When we are weary
and in need of strength,
we remember them.*

*When we are lost
and sick of heart,
we remember them.*

*When we have joys we yearn to share,
we remember them.*

*So long as we live, they too shall live,
for they are now a part of us,
as we remember them.*

The Knights of Columbus of the Holy Cross Catholic Church will collect donations to help mentally retarded children over the next two weekends. Around 90 people, in teams of two, will be stationed at various supermarkets around town, asking for help for these children. In the past, Knights of Columbus in the Triad have contributed to agencies and homes for retarded children in the Triad. Some help will be administered on a statewide basis.

GRAND KNIGHT'S CORNER

Congratulations! We are now an official council! This first month has been an extremely busy and fruitful one for our new council. I congratulate the brothers who have received their second and third degrees.

The month started off with the Knights attending mass as a body on March 4th. Two weeks later we received our charter and had installation of officers. That same week twenty members received their second degree.

A week later on March 28 at our social meeting we enjoyed our guest speaker Brady Mullinax, whose presentation was "Everything You Wanted to Know About Honeybees". An excellent presentation.

We ended the month with 18 brothers receiving the third degree. It was certainly a very rewarding month and I thank everyone for his cooperation.

OVER

FROM THE EDITOR

By the time you get this bulletin the church re-tiling project will be well under way. More help is always welcome. Bring along a propane torch, and a scraper. And don't forget the knee-pads! Remaining dates are April 12, 13, & 14.

A brand new council --- and a brand new bulletin to start it off with. It may not be much, but at least it's a beginning. Eventually it will resolve itself into some kind of useful and steady format. And for that we'll need some helpful suggestions from you readers. Things like coming events, guest editorials, upcoming birthdays & anniversaries, whatever. . .

By the way, check your address. We've made a master for photocopying the labels, so if there's a mistake, it'll be there forever unless you tell us about it.

You'll also notice the lack of a name for this bulletin. How about a "Name-the-Bulletin" contest? Send in some suggestions --- the winner gets his name in the paper for a prize. (Please --- not "Knight Rider")

Thanks to all the knights who participated in our "seven day's kneel-in", otherwise known as "The Laying of the Tile". The Lord surely had to be pleased on Easter morning when he arose to see the church floor looking so good.

GRAND KNIGHT'S CORNER

It is with a sad heart I write this GK Corner. The loss of our brother Morris Roy will be felt by all the Holy Cross community. As Father Harry said in the homily, he was a gentle person. This gentle person had a genuine concern for his family and his church. His involvement with both Boy- and Girl-Scouting was something to behold. His very last activity as a Knight was the laying of the tile in the church. He had planned to help with the construction of the jungle gym set for the Holy Cross Day Care Center.

I believe if he had a slogan it might have been 'Ask not what my church can do for me, but what can I do for my church and family'.

My sincerest sympathy goes out to his wife Verna and the Roy family. I dedicate this year 1984 - 1985 to this personal friend.

June 13 - Business meeting -- all Knights please attend. We wish to plan the year's events.

June 22 - Knights are needed to help set up, serve, and do our usual clean up for the fish fry.

June 24 - First annual cookout and award dinner at 5:00 pm sharp.

Menu: Rib Steak and a good time.

We provide the food --- you provide the refreshments.

Cost: \$5.00 per person.

Bring yourself and your wife or lady friend. Chief Cook is Council Director John Svedek.

June 27 - Social program. Bring the family. Right to Life program.

July 11 - Business meeting. Travelling Gavel to be passed from Greensboro Council 939 to Holy Cross Council 8509.

Many thanks to Brother Bill Gerichten who donated the officer jewels to our council --- they are beautiful.

Thanks also to our own Womens' Club and the Knights from Greensboro and High Point who donated money toward the materials needed by our First Degree team.

COMING EVENTS

June 9 - Jungle Gym Construction.
Meet at G.K. Al Livelsberger's home at 9:00 am to start construction of the playground set for Holy Cross Church Day Care. This will be built as a memorial in honor of our departed brother Norris Roy. Any brother wishing to donate to this memorial please see Father Harry. For further information contact G.K. Al L.

REPORT ON 64th ANNUAL KNIGHTS OF COLUMBUS CONVENTION

by Phil Faingnaert, Delegate

Financial Secretary Tony Petite and I were the delegates who represented Holy Cross Council 8509, and you can rest assured our council was well represented.

The Saturday afternoon Mass was one we shall always remember. It was concelebrated by State Chaplain Rev. Raymond Donahue, Bishop Joseph Gossman, and Rev. Kevin C. Fahey, Pastor of St. Patrick's Church. Both the choir and the 4th Degree honor guard were magnificent. The mass was said for Knights that had passed on during the year, with special mention of our Norris Roy.

At luncheon many awards were given. Most impressive were the youth awards for "Why I Love America". Many dignitaries were introduced at our meetings and luncheons, and the convention banquet.

All of the state officers slate were re-elected. Our own Jim Green, Sr. was nominated for State Warden, but asked State Deputy George Wahl to withdraw his name. "But remember me next year", Jim said.

Jim received many awards and we should be proud of him in the 5th district. The outstanding event was that we won the "Best Progress - New Council" award. We accepted a plaque plus hand-made gavel for Council 8509.

We were very proud to have been appointed to the Transportation Committee. We approved the four mileage distances for Kernersville, Winston-Salem, Greensboro, and High Point.

We met the Master of the North Carolina District, and he has invited us to his council, Fr. F.R. Price, Raleigh #2546, which we accepted for Council 8509.

Operation Lamb was received with great acclaim when it was announced that the Knight went over the quarter-million mark.

We hope that we will all be able to attend the 65th Annual Convention which will be held next year in High Point, and also that Holy Cross will receive a lot of the awards.

Many thanks for the support all my brother knights have given in helping build the foundation of our council 8509. The council will need your continued support during the coming building phase. There is much to be accomplished the next few months and your cooperation will be sorely needed.

Brother Robert Lipstreu will chair the coordination of the rectory move. Brother Mike Staddon will assist Bob in this effort. We will need the help of all knights and their families to accomplish this. Watch the church bulletin for further details.

GRAND KNIGHT'S CORNER

October 7th is Respect Life Sunday. We as Christians have to deal with special problems in these ever changing times. The following topics have been outlined by the National Conference of Catholic Bishops as issues of our times: Abortion. Equality of Life. Handicapped Infants. Respecting the Interests of Incompetent Adults. The Homeless and the Hungry. Persons with Disabilities. Christian Values from Generation to Generation. Capital Punishment.

Many thanks to Bill Nelson, Tony Petite, and Bob Fisk for making the Back-to-School dance a success. Also thanks to R.V. Wakefield for getting Stu Epperson for our speaker at the last social meeting.

Phil Lamendola has taken over as coordinator of the Round Table program. He will act as a go-between for the Knights Council to Father Harry.

It is about time to launch our Operation Lamb program. I cannot stress the importance of this effort too much. There will be a sign-up sheet at our next meeting. See the accompanying article by Brother Larry Macioce.

R.V. Wakefield has scheduled an especially interesting speaker for our next social meeting on Oct 24. All members of the family are invited.

Last but far from least let me thank all the men and women who helped remodel the Activity House. The whole project took place in the short span of two weeks. It looked to be an impossible task to complete by the first week of CCD, but God works in mysterious ways.

OPERATION LAMB

Dear Fellow Knights,

As you probably know, our council is participating in this year's Operation Lamb program. Our goal is to raise money to help the mentally retarded. This effort presents a golden opportunity for every Knight to contribute to this charitable cause, and in doing so, to propagate one of the main principles of Knighthood --- Charity.

The help of each and every Knight is needed for this program to be successful. We are planning to conduct this program on two successive weekends: Oct 26, 27, 28 and Nov 2, 3, 4.

All Knights please attend the Oct 10 business meeting at 8:00 pm in the Activity House to finalize plans.

Larry Macioce.

SOCIAL MEETING

On Oct 24 we are privileged to have Rev. Merideth Neal, Chaplain at Baptist Hospital. She will speak on "Women's Role in the Clergy".

OCTOBER

There will be a recruitment drive this month. We will be set up outside the church after the 7:00 o'clock mass Saturday Oct. 13, and then again the next day between the 8:30 & 11:00 masses.

ROSARY

From now on, the Holy Cross Council will say a decade of the rosary at every business meeting. Every member must have a rosary on his person or pay a one dollar fine.

MEETING ATTENDANCE

All members should attend the business meetings if possible, but it is especially important that council officers attend. Any officer who misses two consecutive meetings without being excused will have to be replaced.

GRAND KNIGHT'S CORNER

Because of the mix-up of conflicting weekends with the Lion's Club, our Operation Lamb was held up by one week. It has taken an all-out effort from you, my brother Knights, to make this endeavor successful. I thank all the Knights and their families especially for helping. We are at a midway point as far as intercouncil competition goes and seem to be hanging in there.

It was encouraging to see the fine turnout at our last social meeting to enjoy the talk given by Rev. Merideth Neal.

Last but far from least I want to thank all the Brothers who helped out with the women's retreat.

All Knights and their guests are invited to the next social meeting, 8 pm Wednesday Nov 28. Our guest speaker will be Mike Facciolo, the K of C insurance agent.

VOCATION CONTEST

PILGRIM VIRGIN

The Pilgrim Virgin, depicted in a handsome framed painting of Our Lady of Perpetual Help, was honored by our council members and their wives at Holy Cross Church on Nov. 2. The occasion was marked by a Marian Hour of readings, prayer and singing, joined by a good group of Knights and Ladies.

The Pilgrim Virgin is on tour throughout the state, and each of the councils have been observing a Marian Hour in her honor. The painting was passed on to the next council, and the devotion will continue in our state well into next year.

The State Council is sponsoring an essay contest for Catholic students in grades 6, 7, & 8. The theme this year is "What Would it Mean for Me to be a Priest or a Sister?" Compositions may be in either poem or prose form. All entries are to be submitted by Nov 25.

GRAND KNIGHT'S CORNER

We are now thru our first year as a council and have completed many projects for the church and community. This new year promises to be even better. Our growing pains still continue, but when we consider where we came from and where we are now, we've come a long way.

The tootsie roll drive is over and we have realized donations of over \$1800. Not bad for the first time. Many thanks for the participation in this noble cause.

Everyone have a Merry Christmas and a Happy New Year!

NEW YEAR'S DANCE

Open to everyone. Plenty of food, party favors, champagne at midnight, set-ups, breakfast at 0100. B.Y.O.B. \$25 per couple. Bring a friend -- bring a guest -- bring everyone! We originally planned on a limit of 75 couples, but after looking carefully at the size of our Commons room, we will have to hold it down to 65 couples in order to have room for dancing. Tickets will be sold after the masses on a first-come-first-served basis. Ticket chairman is Brother Bob Lundergan.

A MESSAGE FROM YOUR DISTRICT DEPUTY

Dear Brothers;

You can all be proud of the hard work that has gone on in the first half of our fraternal year. District Five has taken in many fine new men, which is the Lifeblood of our Order. Our reporting and activities are second to none. Operation L.A.M.B. showed a gain in each council, and as the Pilgrim Virgin passed among us, I am sure Her Smiling Grace that was given us will help our council families to be even more productive in '85.

On behalf of your State Deputy George H. Wahl, Jr., and your Fellow Brother Knights and their Chaplains from around your district, District Five, we wish to extend from our families to yours a Merry and Blessed Christmas and a Happy and productive New Year, for you, your families and your councils.

Fraternally,

VOCATION CONTEST

Last month the K of C State Council
sponsored an essay contest entitled "What
Would it Mean for Me to be a Priest or
Sister?" It was open to all Catholic
students in 6th, 7th & 8th grades.

So last week we all gathered 'round
to judge the entries. To say we were
underwhelmed by the response would be an
overstatement. There was nothing to judge.
That's right -- nobody entered the contest.
This certainly doesn't say much for the
popularity of religious vocations these
days, does it?

GRAND KNIGHT'S CORNER

Happy New Year to all my Brothers of Holy Cross Council 8509.

As we start the new year let's make a resolution to become active and support our council. To encourage this activity, your participation is required at all meetings. Meetings are scheduled for the second and fourth Wednesday of each month. The second Wednesday is a business meeting --- our by-laws dictate that a quorum of 12 members be present in order to pass a motion. The fourth Wednesday is a social meeting when wives and guests are invited to attend.

Attendance at the December meeting was 19. And quite a spirited meeting it was.

Many thanks to the Knights who helped with the New Year's Party. Only 17 couples attended, but they certainly had an enjoyable time. A special thanks to Candy Petite who cooked up a storm.

NEW MEMBERS

SOCIAL MEETING

R. V. Wakefield has tentatively engaged Mr. P. J. Lenihan of Lawn Medic as our guest speaker for Jan 23. He will talk to us about lawn care, a very timely topic when spring is around the corner. R. V. doesn't have a confirmation as yet, but it looks probable.

K of C XMAS GIFT

A 'special family' was selected and given \$200 to help make its Christmas a little brighter. \$100 came from the council's treasury. The balance was the sum of individual donations by some of our Brother Knights, whom we thank most heartily.

CALLING COMMITTEE

Council 8509's calling committee consisting of Brother Phil Faingnaert was formed to assist in council communications. When you are called, please respond with charity, unity, and fraternity.

Congratulations to John Morgan and Ed Beiles on completion of their Third Degree, and to Bob Benford and Richard Reynolds on reaching their Second Degree.

Also we welcome three recent transfers to Council 8509: Bill McAlindon, Kevin Chrestman, and John Logan, a Past G.K. and Past Dist. Deputy from Maryland. Welcome Aboard!

AGENDA

The following items are up for dicussion during our Jan 9 business meeting:

COUNCIL STATUS

At the end of December we were 75% of meeting our quota on membership.

The scrap book must be in the hands of the State Director by April 23, 1985.

In order to reach Star Council we need to complete the following actiities before the end of April:

EDITORIAL

Our newsletter is published and distributed the first week of each month. It serves two purposes: first of all, we try to inform you of coming events. Also, it serves as a kind of running diary of our doings at Holy Cross.

If you have an item of particular interest, please call Bob Lundergan at 993-2948. We'll be glad to include it.

We still haven't come to grips with the problem of naming our newsletter. We need help in that department. And we could also use a good design for a masthead, or logo.

Remember — in order to gain admittance to a business meeting a current membership card is necessary. Dues are \$5.50 per quarter (\$22/year) payable to P.S. Tony Petina.

GRAND KNIGHT'S CORNER

March 29 is the birthday of the Knights of Columbus. The Knights were chartered on March 29, 1882 by the State of Connecticut. Father McGivney's dream was to provide financial assistance and moral support to widows and dependant children of impoverished mill workers.

We have been growing steadily for 103 years, and we are now over 4000 councils located throughout the world.

We are an organisation dedicated to our church, community, youth, and patriotism; and above all, to fraternity and love among all brother knights.

This is our heritage, of which we all should be proud.

Father Harry and Gail Hill have asked the help of the Knights in welcoming new parishioners to our community. They have put together a nice little "newcomers kit", or packet explaining the history and activities of the Holy Cross community. They need help in distributing these packets and making newcomers welcome. Volunteers are needed for this special ministry.

Please pray for Father Harry's health, and also for the repose of the soul of Mike Moynihan's father.

OPERATION LAMB

It was quite a thrill for Brother Larry Macioce and me to visit Horizons Residential Care Center this past Tuesday evening. We presented a check from Council 8509 to Administrator Tom Byrd. The State Council has also approved an additional \$450 to be given to this home for the mentally retarded. My brothers, I thank you for your effort --- God's grace will surely be showered upon you.

--- G.K. Al L.

ALTAR BOYS NEEDED

All brother Knights who have boys who have received First Holy Communion should encourage them to become altar boys.

1985 PATRIOTISM CONTEST

This year's theme is "Our Flag, Symbol of the Nation". Children of Holy Cross grades 6 thru 8 are eligible. Entries (one per student) may be made in either the essay or poetry category. There will be a \$10 prize for first place and a \$5 prize for first runner-up. Winners at council level will automatically be entered in state-level competition.

FOUNDERS DAY CELEBRATION

There will be a Founders Day Covered Dish Supper on Friday March 29. This will be a special meatless covered dish social for knights and their guests. This is a family affair --- bring your wives and children. It will be held in the Commons (time to be announced) and should prove to be a very entertaining evening. It is also an occasion to honor some members of our parish who have given so much loyal service to our community.

Julian Almaraz, Mike Staddon, and Tony Petite will be responsible for this project.

GRAND KNIGHTS CORNER

The Founders' Day program turned out to be a pleasant surprise. The food was excellent and the company especially friendly. As a new council we are starting many traditions and this one was especially nice.

On our next business meeting night (April 10) we will have a special treat. Our own First Degree team will solo as we induct some new members into our council. Please attend for they need your support and encouragement.

This meeting will also be the night for nomination of council officers.

As we wind up the month of April we should be proud of all the accomplishments our council has completed in this past state competition year. The Knights have accomplished much as far as completing the basic requirements for the state and national competition.

But most important is what we have done for Christ and His Holy Church. Keep up the good work. If you haven't done your part, become active. We need your help. After all, it is your council.

EDITORIAL

Hooray! We finally have a name for the bulletin. It took only a year. More specifically, what it really took was for your editor to get off his dead butt and do something about it.

We chose the name for two reasons: First of all, it gives us some identity. Puts Kernersville on the K of C map, so to speak. At the same time, we think it makes a catchy masthead.

COMING EVENTS

Social meeting April 24. Teen Challenge. Last year we had a very interesting program by the men of Teen Challenge. This year the women will tell us their experiences with drug abuse. Name the vice and these girls have been into it. They've been there and back. Should be very interesting.

Social meeting May 22. Shroud of Turin. Dr. Rabin, an accepted authority on the research done on the famous shroud, will present a slide show & lecture. Those who have seen it say it is extremely interesting. The lecture will be presented in Holy Cross church sanctuary where there is a built-in screen plus adequate seating.

65th STATE CONVENTION
MAY 17-18-19

The delegates for Holy Cross Council were elected at our March business meeting and are G.K. Al Livelsberger and F.S. Tony Petite. Alternate delegates are Brothers Phil Faingnaert and Mike Staddon.

Bishop Haffey Council of High Point is the host council this year. The proximity of the location affords all of us an unusual opportunity to join our brothers from across the state.

With High Point only a dozen miles away, it hardly seems necessary to stay overnight. For those who do, the K of C group rate at the Radisson is \$49/day plus tax, and must be reserved prior to May 1.

The convention fees are:

\$80 per family

\$70 per couple

\$45 per single

The above includes the dinner, dance, luncheons, and all family activities. Golf and bowling are extra. The convention itself is open to all members with current travelling cards, so it is theoretically possible to attend free. But as a practical matter, it is very difficult to know in advance the times and places of the various events. The best thing to do is sign up officially and join in the festivities.

OPERATION LAMB WRAP-UP

Our last social meeting featured Leon Shaw, a rehabilitation therapist from Kendall Center in Greensboro. He gave us an interesting presentation on the operation of the center. The Knights presented him with a check for \$512.77, the same amount that we gave to Horizons Residential Care Center in Winston-Salem last month.

PARISH CLEAN-UP/SPRUCE-UP

His excellency Bishop John Donahue will be visiting Holy Cross Parish on April 29. But first the parish premises need a little tidying up.

The Knights are sponsoring a clean-up day on Saturday April 13. All parishioners are invited. Bring your own picnic lunch. The Knights will supply the beer and soft drinks. Also bring along miscellaneous yard tools --- rakes, hammers, shovels, brooms, etc. --- whatever you think you'll need. Hours approx. 9am to 3pm.

VOCATIONS FORUM

There will be a two-day forum held for all adults and teens who are interested (or who are even mildly curious) in a religious vocation. It will be on Saturday and Sunday April 27 & 28, at Saint Francis of Assisi Parish Family Center in Franklin, N.C. For further details call Al Livelsberger, 993-5466.

KNIGHTS OF THE MONTH

Julian Almarez, Tony Petite, and Mike Staddon for organizing and promoting the Founders' Day party.

Phil Lamendola for organizing the patriotism contest.

HELP WANTED

Holy Cross parish needs volunteers to help with the ministry of visiting new parishioners. A beautiful packet has been put together by Father Harry and Gail Hill which describes the church programs, commissions, youth programs, CCD, K of C, etc. Please contact G.K. Al.

UMPIRES NEEDED

Little League baseball needs volunteer umpires. Male or female. The kids play six nights a week --- pick your own night. For details, call R. V. Wakefield, 993-8936
