WORDS FROM THE SUPREME KNIGHT

We recognize our responsibility first of all as individuals, then as members of the Columbian family, to make a return to the Lord for all He has given us. We are a unique Catholic organization, and are uniquely blessed by God with resources of talent, manpower, unity and strength of financial resources. We are grateful for this and humbled. In the world, the family of nations, we will unite our efforts ever more strongly so that we can stand up and be counted in public on moral issues, on matters of justice and when our rights are at stake.

WORDS FROM THE SUPREME PONTIFF

You must have consistency between your faith and your daily life. You cannot be a genuine Christian on Sunday, unless you try to be true to Christ's spirit also in your daily work, your commercial dealings, at your trade union or your employers' or professional meetings.

How can you be a true community in Christ at Mass unless you try to think of the welfare of the whole national community when decisions are being taken by your particular sector or group? How can you be ready to meet Christ in judgment unless you remember how the poor are affected by the behavior of your group or by your personal lifestyle? For Christ will say to us all: "In so far as you did this to one of the least of these brothers of Mine, you did it to Me."

HOLY SHROUD PROGRAM

SHROUD OF TURIN

On Saturday, Oct 18 ten brothers of Holy Cross Council 8509 assisted Pius X Council 3498 of Burlington in presenting the Holy Shroud of Turin exhibit. This exhibit, which originates in Milwaukee, travels around the country. Burlington is as close as it came to our area. It is a beautiful presentation, explaining the latest scientific, theological and historical research on the Holy Shroud. Many thanks to all the knights who made this pilgrimage.

Many thanks to you and the brother knights of your council for assisting Council #3498 in manning the Holy Shroud Exhibit held in Burlington October 15-18, 1986.

We feel this exhibit was a success inasmuch as 2,354 individuals passed through the portals in the twenty (20) hours it was made available to the public.

Our Lady of Czestochowa

ICON PRAYER SERVICE

PILGRIM VIRGIN

Our Church Director, Brother John Logan, received the Pilgrim Virgin from Santa Maria council in Winston-Salem. The Marian prayer service was held on March 11 before our business meeting, honoring the icon of Our Lady of Czestochowa. On March 13, Brother Bob Lundergan took the icon to Piedmont council #939 in Greensboro.

FOUNDERS DAY CELEBRATION

A Special Day in Many Ways

Our K of C mass was highlighted by the participation of the Fourth Degree honor guard. Many thanks to the Abbot Vincent Taylor Assembly honor guard and the commander Tom Cullen for exhibiting the true meaning of respect and dignity our eucharist should maintain. Breakfast at Shoney's was attended by 16 members plus their families, which was then followed that evening by our awards and founders supper in the church hall, with 75 people in attendance.

All in all it was a full and complete day, which exhibited the principles of the Knights of Columbus: Charity, Unity, Fraternity and Patriotism. We also exhibited the reason for our fraternal organization, to better Church, Family, Youth, Council, and Community program involvements.

HOW CAN I GIVE MY LIFE TO GODS WORK AND FEEL
FULLFILLED IN TODAYS SOCIETY.
MY VOCATION

My vocation may not appear to be a religious one, but I believe that by keeping my life Jesus centered, I can make any job into a spiritual vocation.

I have chosen to be a daycare owner/operator in a day when most parents are working parents. I believe that there is a great need for a good quality, safe and loving place where children of pre school age can spend their days. There is also a need for quality after school care up to at least twelve years old.

To reach my goal I plan to go to college and earn my pre school and elementary education degree and I will also need some business education. Since age eleven I have faithfully worked at our church nursery during 10:00 AM Mass. I have also gained experience by my work this past summer as a Counselor in training at the Y.W.C.A.

At first I didn't know what drew me to children. Children are special and I think that I have a special talent for keeping them. Most of the children I have kept have looked up to me and I may have changed some of the ways they think and act. Children are usually very happy and playful and the ones that aren't I'll fix that by giving a little extra attention and T.L.C.

When I get this day care I will make sure that every child knows they have Jesus in their heart, I will help them learn how important they are to Him and how He loves them each. I will also teach them that Jesus is their friend and He will help them when they need Him.

I know it seems a simple thing to teach these little ones about Jesus but I feel I can do it well and make each one know He is their true and dear friend. He is my friend and I learn more about how wonderful he is as time goes by. This is my vocation and with hard work and prayer I can do it!

Youth Director

Dear Youth Director,

It is with great pride that our Council has the privilege to recommend Jennifer Lee Johnston as the state "Teenager of the Year." This young lady possesses the qualities of leadership and dependability. She is active in community service, church, family and school activities and excels in all of them. She looks forward to each new project, and takes pride in seeing it through to its finish. She is a well rounded young lady and volunteers her leadership and time whenever she is asked.

Our nominee attended Our Lady of Mercy Catholic School for grades one through eight. While at Our Lady of Mercy she distinguished herself with the following awards: She took part in Duke University's Talent Identification Program and received an award for her participation. Her SAT score was one of the highest in the state for her age group. She received a second award from Duke University for her verbal SAT score. Jennifer also won in consecutive years Winston-Salem's Knights of Columbus Council's vocation essay contest and Kernersville's Knights of Columbus Council's patriotism essay contest. Also during this time she became the area Catholic school spelling bee champion.

In the eighth grade this determined young woman attained the following goals: received the Certificate of Achievement from the Winston-Salem Human Relations Commission, became president of the student council and enjoyed her second year on the girls' varsity basketball team, graduated from Our Lady of Mercy Catholic School number one in her class, received four of the school's six highest academic student awards -- overall academic excellence, math, social studies and religion.

Now attending Bishop McGuinness Memorial High School Jennifer is the only freshman member of the drama club to win a part in this year's school play. She is also a member of the school's choral group, the Choraliers. She has been on the student honor roll since her start in high school. She enjoys and has been taking ballet and modern dance courses for the last five years.

Jennifer's participation in church activities is one of the most significant accomplishments she has realized to date. Her church duties include hospitality usher, lector, CCD assistant instructor, member of the Junior CYO and CYO and participant in the church play, The Live Stations of the Cross.

Gentlemen, all the above accomplishments have been achieved by a fourteen year old who truly represents the outstanding youth of America today. Jennifer's future is bright. She plans to attend Duke University and study oceanography.

With such an outstanding background already encompassed, this young woman is an excellent nominee. It is our Council's honor to present our Teenager of the Year and nominee for the State Teenager of the Year.-- Jennifer Lee Johnston.

Respectfully submitted,
Fraternally,

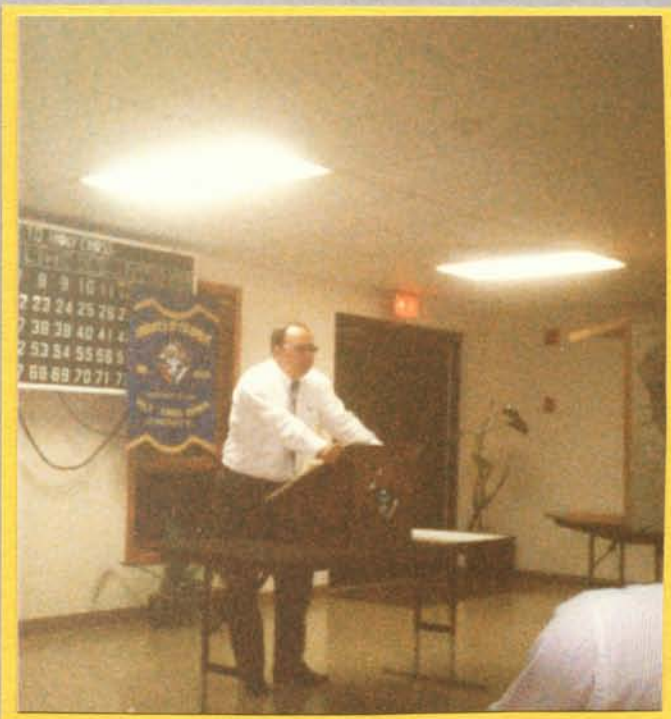

Anthony M. Petite

KERNERSVILLE'S FUTURE

Our social meeting on Sept. 24 featured guest speaker Kernersville Alderman Larry Brown. Twenty one people attended this excellent presentation by Mr. Brown. During his speech he covered topics on fire departments, sanitation, annexation, taxes, water, sewage, roads, police, shopping centers, and new housing developments. During the post-meeting discussion the overall outlook is that Kernersville is not prepared for the future and the inevitable expansion the future will bring.

Re: Fund-Raising Campaign
Date: November 17, 1986

We are requesting a statewide K of C Council participation to aid in a unique and charitable cause. This project will be funded by a raffle ticket campaign throughout our state. The purpose of this project is to build a nursing home and/or hospital for people who have received severe head injuries. This projected facility would admit patients of any age. There is no facility of this type in existence in the entire state of North Carolina.

We have requested statewide participation from State Deputy Ronald J. Carney, Sr. who has suggested we contact each Grand Knight of every council to voluntarily participate in this huge undertaking. Approval has been given by the State Deputy and the State Council.

We again acknowledge that our cause is one of many good causes and we are aware that most councils have goals of their own. We recognize that we are asking each council to assume another burden. As recompense, each council will be able to keep ten per cent of its gross revenue from the selling of raffle tickets.

Every Grand Knight in the state will receive a copy of this letter and, hopefully, will read it to his council at its business meeting. We as charitable brother knights also hope each and every council will accept and approve participation in this campaign.

Raffle tickets will be sent to each council upon request. Tickets are \$1.00 each or seven for \$5.00. Prizes are as follows:

At each Council 8509 monthly business meeting, the second Wednesday of each month, a ticket will be drawn for a 19" color television set. The winner of the TV set will also be eligible for the Grand Prize drawing on October 31, 1987. (Winners of monthly drawings are not eligible to win another TV set during the campaign year.)

The GRAND PRIZE is a collector's item 1967 Maserati; a beautiful red sports car valued at \$25,000.00 This car will be displayed in various areas and different cities throughout our state -- Greensboro, Raleigh, Charlotte, Burlington, Winston-Salem, etc.

In closing we hope and pray that the Knights of our state will accept this campaign and charitable project.

Your help is needed and greatly welcome. You have our sincere thanks and gratitude for accepting this project.

The first raffle drawing is on December 10, 1986. Please call for amount of tickets needed:

Mail raffle tickets to:

Use above address for new monthly ticket orders.

THE RICHARD LESLIE FOUNDATION

Brother William J. Connor, Jr. of Kernersville, 8509, has asked for our assistance. He is the Director of a Foundation that was formed to assist persons who have received extensive head injuries. In his letter to me, he cites the need for a long-term care facility to handle these cases. He mentions that many of the patients are children who have been dropped or abused, and that the median age is well below 30 years.

I've sent him a set of Grand Knight address labels. Their first fund-raising adventure will be a raffle, one that has a unique prize, a collector's item, 1967 Maserati. The car has been donated by William E. West, Jr., a Winston-Salem attorney. It has an estimated value of \$25,000.

I've advised Brother Connor that I can't require your support, but that I will bring it to your attention. When you receive his letter, please give it serious consideration.

North Carolina Family Chosen 1986 Family of the Year

Fred and Bea Corley and their family of 11 children have been chosen as the 1986 Knights of Columbus International Family of the Year by the Supreme Council. This outstanding Jamestown, North Carolina, couple and five of their children were introduced at the Annual Meeting of the Supreme Council in Chicago, Illinois, held from August 5 through 7.

The Corleys are the natural parents of eight children and have adopted three younger children. They are: Elaine, 28; Eileen, 27; Fred, 26; Elizabeth, 23; Scott, 22; Erin, 20; Joe, 17; Michael, 15; Stephen, 12; and twins Rusty and Robbie, 8. Bea's mother also resides with the Corleys.

Elaine works for the Tacoma News Tribune in Tacoma, Washington, and Eileen and Elizabeth are nurses working in their home state of North Carolina. Erin is a U.S. Marine stationed at Camp Lejeune, North Carolina. Fred is a Marine Corps. veteran and works for Duke Power. Scott is a college student and both Joe and Michael are students in high school. The adopted sons are: Stephen, who has cerebral palsy and is retarded with a hearing loss; Rusty who also has cerebral palsy and is retarded; and Robbie who is considered a high risk because of the circumstances of his birth.

Fred and Bea have also given a home and love to 66 new-born infants over the years. Through the Catholic Social Services Foster Care Program, they took in the first child in 1967 and that started a personal devotion to the little ones. According to Bea, "We do this because we really enjoy kids. We wouldn't do it if we didn't enjoy it. It fulfills our needs as much as the babies' needs. It's fun

Knights Receive Messages From Church and World Leaders

The 104th Supreme Convention of the Knights of Columbus was highlighted by messages from the pope and church leaders and from heads of state world-wide. By special satellite hook-up with Washington, D.C., the convention gathering in Chicago received a live video message from President Ronald Reagan. The events took place during the first week in August with 46 bishops and one cardinal in attendance.

At the States Dinner, Pope John Paul II sent a personally signed letter of greeting to all members of the Order. It was read by Archbishop Pio Laghi, Papal Pro Nuncio in Washington, D.C. The Holy Father praised the assistance given to the Vatican and encouraged the promotion of family life. "As the Church seeks to respond to the needs of married

The Pilgrim Virgin

Virgil C. Dechant
Supreme Knight

The Wednesday afternoon Marian Hour of Prayer service held during the Supreme Council meeting last week was most impressive.

At the appropriate time in the ceremony, the state deputies approached the altar in procession to receive their jurisdiction's image of Our Lady of Czestochowa, each one blessed in Rome by

His Holiness Pope John Paul II. It is in her honor that the next "Pilgrim Virgin" program will be launched on September 8, feast of the Nativity of Mary.

The state deputies will carry the image back to their home states, there to kick off a program that hopefully will bring Our Lady, on a prearranged schedule, to each of the Order's 8,498 local councils.

The September issue of *Columbia* magazine will carry a special article on the Czestochowa image and devotion written by His Excellency Archbishop Lino Zanini, the rector of St. Peter's Basilica in Rome. The photo-

graph we used for the reproduction was taken by famed Japanese photographer Takashi Okamura who is known for his pictures of the Sistine Chapel renovation now underway. It captures the Czestochowa madonna which graces the "Polish" chapel in the grottoes of the basilica. Several years ago the Order assisted the Holy See in enlarging this chapel to one and one-half times its former size. My point here is to alert you to Archbishop Zanini's article. I have read the galley proofs and find it to be informative, enlightening and inspirational.

I bring out the "Pilgrim Virgin" at this time to encourage every jurisdiction to promote and participate in this program of Marian devotion wholeheartedly and with every council involved. We shall be asking Our Blessed Lady to intercede for the success of our pro-life effort. With Mary, Mother of Jesus and heart of the Holy Family on our side, our efforts surely will be crowned with victory.

Be on the lookout for word from your state deputy when the Pilgrim Virgin will arrive at your council. Then do everything you can to publicize this devotion within your council, your parish and your community.

to watch them develop. They're so precious and they've been such a joy."

And the community is richer because of this family. Fred has been the announcer of all home football games for Ragsdale High School for the past eight years while the children participated in school sports. The couple also works with little league baseball, youth football and basketball. Bea was honored as Mother of the Year by the Derita Athletic Association in Charlotte (their former residence), by Bishop Hafey Council and by the *Jamestown News*.

In support of Immaculate Heart of Mary Church, the Corley sons have been altar servers. Bea is treasurer of St. Edwards Ladies Guild and Fred, who is also a lector, serves on the Parish Family Life Commission. He has been a member of the parish council and was chairman of the Liturgy Commission. Bea and Fred are volunteers for Birthright.

Fred is the current grand knight of Bishop Hafey Council 4507 in High Point and has held the positions of deputy grand knight, chancellor, program director, family director and Roundtable chairman. He is a member of the Fourth Degree of the Knights of Columbus, having joined the Order after converting to the Catholic faith in 1967. Fred is an employee at Duke Power and is retired from the National Guard after 31 years of service.

Clergy Organization Thanks Knights for Support

The National Clergy Council on Alcoholism, located in Washington, D.C., recently bestowed an award of gratitude upon the Knights of Columbus for funding the Knights have provided NCCA over several years.

The special award was presented at the 38th Annual NCCA Symposium in Chicago by Archbishop Edward T. O'Meara of Indianapolis. Receiving the award for the Knights was Robert J. Hisel, supreme director.

In a letter to Supreme Knight Dechant, the executive director for NCCA, Rev. John F. X. O'Neill, expressed his appreciation for the K of C assistance. "Once again," he stated, "I thank you for all the good that you do for others in the name of Jesus Christ. I will pray for those intentions and for my fellow Knights. I am proud to be a Knight of Columbus."

Knights To Sponsor International Special Olympics

The Knights of Columbus has become a principal sponsor of the 1987 International Special Olympics summer games as announced by Supreme Knight Dechant.

"Our hope," Dechant stated, "is not only to provide financing for these Special Olympics, but to motivate many more councils and Knights to volunteer." He noted that in 1985 alone many of the state councils and councils in local communities, on their own initiative, supported Special Olympics in the amount of \$1,150,000 and provided manpower for the actual games. This amount was in addition to more than \$10.8 million raised by councils in last year's voluntary general fund drives for the retarded on a state-by-state basis.

Eunice Kennedy Shriver, chairman of Special Olympics, Inc., acknowledged the principal sponsorship of the Knights by saying: "The Knights of Columbus already do so much for Special Olympics in communities all over the country . . . and statewide in several states . . . When a great organization like the Knights of Columbus decide to support Special Olympics, I know that God is looking after his children who happen to be mentally retarded."

Other sponsors of the 1987 International Special Olympics include the following: IBM, Kellogg Company, Communications Workers of America, United Commercial Travelers, Coca-Cola USA, Red Lobster Inns of America, and Civitan International.

couples and families," he said, "she depends to a great extent on organizations such as the Knights of Columbus."

The pontiff also commended the "faithful witness" of the Knights to "the dignity of human life from conception until natural death. Your firm commitment to the struggle against the unspeakable evil of abortion, in effective collaboration with other persons and groups, is certainly crucial today. I offer you my grateful support and encourage you to never lose heart."

President Reagan congratulated the Order on its \$66 million worth of philanthropic endeavors last year and on the 20 million hours Knights gave to volunteer community service. In his quarter-hour address he

stressed drug-abuse, the situation in Nicaragua and pro-life initiatives. "Respect for life," he said, "belongs in the public realm. Indeed, it represents the very basis of civilization . . . All human life is sacred. The family is likewise sacred. Don't you think the Federal government should respect the family as much as you do?"

At the concelebrated opening Mass, Joseph Cardinal Bernardin, Archbishop of Chicago, was the principal celebrant and homilist. He leads one of the largest sees in the United States.

Cardinal Bernardin was president of the U.S. National Conference of Catholic Bishops from 1974 to 1977. Currently he heads the NCCB's Committee for Pro-Life Activities. He is chairman of the board of trustees of the Catholic University of America and a board member of the Center for Human Development in Washington.

The States Dinner was graced with Bishop James W. Malone of Youngstown, Ohio, as main speaker. A native of Youngstown, Bishop Malone is a staunch advocate of economic justice for those burdened with unemployment. He is the president of the National Conference of Catholic Bishops, having served as vice president for three years and on numerous committees promoting interfaith dialogue and ecumenical pursuits.

Another member of the hierarchy who participated in convention events was Bishop Bernard Hubert of Saint-Jean-Longueuil, Quebec. He gave the homily at the Memorial Mass at the Cathedral of the Holy Name in Chicago.

The Fourth Degree Is On The Move

By Alfred N. Nicolas, *Supreme Master*

On August 7, 1986, the Supreme Assembly of the Fourth Degree held a meeting in Chicago, Illinois, immediately after the Supreme Council meeting. The Supreme Assembly is composed of the supreme knight, supreme secretary, supreme master and nineteen vice supreme masters.

A commitment was made by all vice supreme masters to exert great effort on membership recruitment. The intake of new members is essential if we are to continue to grow and be more effective in our work. In your recruitment efforts you may find the following description of a Fourth Degree knight helpful. I borrowed it from a recent news letter of the St. Joseph Assembly of Edmonton, Alberta, Canada.

"Who is a Fourth Degree knight? Is he an old or experienced Third Degree knight? Is he better than, more committed than or no longer fits in with other Third Degree knights? Does he no longer wish to physically participate and sees himself in the Senate? No! The average sir knight is none of these. He is a Third Degree member in good standing; he is a Catholic gentleman who cares for his community, his Church and his fellow members of the Knights of Columbus — whatever degree.

He feels a strong commitment to his Church, his country, the downtrodden, the poor of spirit and the poor of health. He shows compassion and is willing to give a hand freely without second thought. He will stand up and defend at all times the principles of the Order which are

Charity, Fraternity, Unity and Patriotism."

All men who feel the above commitments and understand the implications of these belong with and are invited to join all other members of the Fourth Degree in our service to Church and country!

Achievements of Fraternal Year Outlined by Supreme Knight

The fraternal year 1985-86 was a banner year for the Knights of Columbus, according to Supreme Knight Virgil Dechant. As of the closing date of June 30, the Philippines and 41 jurisdictions added at least one new or reinstituted council to their rolls. Together they instituted 328 new councils and reinstituted two for a total of 330, making it the second best year ever, surpassed only by 335 councils in 1984. With 20 dissolutions and mergers, there is a net gain of 310 for the year, making it also the second best year in net gain in the history of the Order.

Addressing the convention of Knights in Chicago Dechant said: "Everyone in this room should know by now my strong belief about the development of new councils. I am convinced that any parish that desires and shows it can effectively support a K of C council should have one. Since re-establishing an aggressive new council development program nine years ago, we have witnessed tremendous growth in this area. Soon we shall be assigning number 9400 to a new council and, if progress can be maintained, within two or three years some council will lay claim to number 10,000."

He pointed out that membership stands at an all-time high of 1,434,479 which represents a net gain of 17,459 for the fraternal year.

In insurance matters, 1985 marks the first year that the agency force issued life insurance in excess of \$2 billion. This increase is 13.6% over the prior year.

The annual net gain of insurance volume for the year 1985 amounted to \$1 billion, 28 million, compared to \$994 million in the prior year. This marks the first year that the net gain exceeded a billion dollars.

"The greatest achievements over the year, however," Dechant stated, "are the security and peace of mind the multimillions of dollars paid in death claims have brought to the widows and children of our deceased members; and the serene and secure retirement years afforded to our living members through the hundreds of millions of dollars paid in maturities, dividends, interest, proceeds of annuities and disability waivers."

THIS ENTIRE PROJECT STARTED WHEN THE CHURCH PURCHASED AN OLD HOUSE NEXT DOOR TO THE CHURCH'S OLD ACTIVITY HOUSE, THIS PROJECT MEANS THAT OUR COUNCIL ACTUALLY DID RECONSTRUCTION MANUAL LABOR ON TWO OLD HOUSE'S. ONE FOR THE NEW PLAYSCHOOL, AND THE ONE THAT WAS BOUGHT AND NOW BEING USED AS THE CHURCH'S ACTIVITY CENTER BUILDING. THE COUNCIL STARTED OUT BY HELPING A WORK CREW GUTTING OUT THE ENTIRE INSIDE OF THE HOUSE. TEARING DOWN WALLS, AND KNOCKING OUT WALLS FOR NEW DOORWAYS. WE THEN CLEARED THE DEBRIS AND CARTED IT OFF TO A DUMPSTER. WE THEN STARTED TO REFRAME AND STUD OUT FOR ADDITIONAL BATHROOMS, CLOSETS, EXITS. SPECIFIC REQUIREMENTS ARE NEEDED TO BE ABLE TO OPEN A PLAYSCHOOL CENTER. WE THEN DRY WALLED, SPACKLED WALLS AND CEILING SANDED AND PAINTED INSIDE AND OUTSIDE OF THE HOUSE WHICH IS MADE OF WOOD. SOME CARPENTRY WORK WAS DONE SUCH AS REPLACING FLOORING, HANGING DOORS, LOCKS PUT IN GLASS REPLACED. FLOORS WERE SANDED AND VARNISHED. THE SECOND BUILDING WAS NOT AS COMPLEX A JOB AS THE OTHER BUILDING. WE DID GENERAL CLEANUP AGAIN SANDED AND VARNISHED THE FLOORS AND PAINTED INSIDE AND OUTSIDE OF THE HOUSE WHICH ALSO WAS MADE OF WOOD. WE FINISHED OFF BY GRASS CUTTING, WEEDING, PLANTING SHRUBS, AND LANDSCAPING. THIS PROJECT BROUGHT OUT THE MOST KNIGHT'S IN OUR COUNCILS HISTORY FOR A CHURCH ACTIVITY WORK PROJECT.

FATHER HARRY McGOVERN

Oblate of St. Francis de Sales

"He's Everybody's Father."

(See pages 14 and 15)

A Message From Father Dean...

It's an annual custom for affluent northerners to flee the cold and snow - and sojourn to warmer climes.

Recently, I traveled below the Mason-Dixon line to Kernersville, North Carolina.

However, I don't exactly fit the pattern. I'm not affluent and at the end of March - when I made my trek - the snows of Pennsylvania had disappeared. Besides, the stint in Kernersville was not exactly a time of leisure.

Oblate Father Harry McGovern, pastor of the Parish in Kernersville - Holy Cross - needed a replacement while he attended a seminar in Texas preparing him for life in the missions. **Father John Melloy** and I were his replacements, dividing the month of March in the hills and vales of North Carolina.

Father Harry's parish is a busy one. Activities abound; the calendar is filled: Reconciliation classes, meetings of the Boy Scouts, Girl Scouts, the Knights of Columbus, the Quilt makers, Bible Study and Pre-Cana groups, the Choirs, Separated and Divorced.

A moment of rare repose for Seminarian, Tony Gilborges.

Obviously, the rooms of Holy Cross parish are seldom empty or closed. Every week day from 7:00 A.M. to 6:00 P.M. the complex is buzzing. The rooms are filled with over 130 children - ranging from new-borns to 5 year olds - and 25 devoted women - very efficiently staffing the Child Development Center. Both the Day Care and Pre-school sessions are managed by Marilyn DeLutis. Joan Habib is the capable parish secretary - Candy Petite, the expert chef who presents every day a tasty lunch for this big and hungry group. And Seminarian Tony Gilborges - doing just about everything: planning Liturgies, preparing for Holy Week, painting the front peak of the church, interviewing new parishioners.

In our Newsletter you'll meet other Oblates in North Carolina. Of interest: In Thomasville, Father John Murphy for almost eight years has been pastor of Our Lady of the Highways, a patron of many Oblate Helpers.

Six Oblates were ordained to the priesthood in June. And our younger men - your Seminarians - Joe McGonigal, Tony Gilborges, Bob Rutledge are looking forward to that great day.

Keep up the prayers for vocations. The Oblates cover a large area of the Lord's vineyard. We need more laborers. Your prayers will send them to us.

Father Harry baptizes one of "his children."

Opening The Doors

Homework assignment for Father Joseph Lynn.

On March 9, Oblate Father Joseph Lynn began weekly liturgies in Spanish for Hispanic Catholics in his parish of St. Ann in Smithfield, North Carolina.

More than 1,000 handbills written in Spanish were distributed in the community with the help of many social agencies. The handbill read: "Usted, su familia, y sus amistades estan cordialmente invitados a asistir" - "you, your family and your friends are cordially invited to take part."

The extension of ministry to Hispanics responds to the parish's growth in the last decade.

Father Lynn's awareness of the changing signs of the times increased while making hospital calls.

"On two different occasions, I walked into hospital rooms and suddenly felt completely inadequate," he said.

His frustration grew when he was called on to baptize Hispanic infants.

"I performed the ceremony with the help of a 12 year old boy doing the translating for the parents and godparents."

Soon after, a migrant worker was killed in an automobile accident near Smithfield, and Father Lynn was called to offer words of comfort.

"Again, I didn't have a word that I could offer," he said.

Determined not to be caught speechless again, Father Lynn began to assess his resources.

Early priesthood studies brought him to Rome where he lived with French-speaking priests in an Italian-speaking environment.

He thought that the jump to Spanish wouldn't be too difficult. So, he decided to go back to school - twice a week for three-hour sessions.

Says the teacher, a parishioner, Mrs. Muniz-Sinke, "He is validating who we are as a church. He is opening the doors to the entire community of believers."

"The memory is not so good at 70 as it was at 20," says Father Lynn. To compensate he spends a lot of time listening to Spanish language tapes.

In English or Spanish - Father Lynn raps.

"I am really excited about this new ministry," Father Lynn says, "It's always good to change. Change is always interesting. And this is adding a lot of interest to my life."

YEARS OF GOLD 1936-1986

Father Conmy served as Provincial of the American Province of the Oblates of St. Francis de Sales from 1960-1966 and was the first Provincial of the Wilmington-Philadelphia Province from 1966-1972. He was Master of Novices for 18 years.

Father John Conmy

Father Roberto Balducelli

Father Balducelli has served St. Anthony Church in Wilmington, Delaware, since 1946. He was instrumental in building St. Anthony's grade school, founded Wilmington's first community center, the Antonian - an apartment complex for Senior citizens - and the Padua Academy High School.

Father Niedermaier served as a military chaplain in World War II and was chaplain at the Veterans' Administration Hospital, Elsmere, for 25 years. Father is the nephew of the late Father William McLaughlin, one of the early American Oblates.

Father Joseph Niedermaier

Father Bernard Wetzel

Father Wetzel has had a life-long apostolate of teaching. He has taught at Salesianum High in Wilmington, both of the Oblate schools in Philadelphia - North Catholic and Father Judge - Central Catholic in Toledo, Ohio, at La Salle University in Philadelphia and at our own Allentown College of St. Francis de Sales.

We are grateful to our four Jubilarians who have served as the Lord's priests for the Lord's people - for fifty fruitful years.

Adult Responsibilities

In Washington, D.C., **seminarian Bob Rutledge** was able to give me a few moments - to fill me in on the busy days and weeks of a first year theologian.

"My first semester was a somewhat rough adjustment - not so much because I was leaving my teaching of biology at Father Judge High in Philadelphia, back to a student-type environment - but more because I was picking up roots again, coming to an unfamiliar city, away from home."

Bob soon became adjusted to his new surroundings and the pressures of study. He ended the first semester with a triumphant 3 A's and 2 B's!

For five summers Bob worked at Camp Brisson, our Oblate camp in North East, Maryland. Last summer, leaving the care of youth, he gave his time and talent to an altogether different ministry.

Five days a week he worked at the Immaculate Mary Home for over three hundred elderly residents. Apprehensive at first, he soon learned to work well with and to love and respect his new-found friends. To

help his growth he took a course in Pastoral Ministry, learning counseling techniques. Assisting the resident chaplain, Father Leo Harkins, he daily visited the residents, distributed Holy Communion and tried to solve some crises that occasionally arose.

Bob Rutledge: Musician, theology student, biologist - Oblate.

At the DeSales Theological Center Bob finds all of his courses challenging. After eight years as an Oblate, now that he has begun his theology training, he looks forward to the goal of the priesthood.

This summer he will begin graduate studies in biology at Villanova University, taking courses geared for high school teachers of biology. A Master's degree will be gained after five summer sessions.

Last year our Oblate seminary was evaluated by a Vatican team that offered constructive criticism and prepared a report for the Pope. The visiting team were pleased with what they found.

"Oblate community life here at our theologate is super," says Bob. "Our superior, Father Frank Danella, is a good man. He encourages us to be adults and to take on adult responsibilities." Like the Vatican team, Bob is pleased with what he has found.

As the seminarian musician, Bob combines work and relaxation at the console of the chapel organ. Close to the liturgy - the Mass - he looks forward to the day that he will "ascend the altar of the Lord."

Oblate Bishop

In the spring **Oblate Bishop Edward J. Schlotterback** journeyed to the States to seek help for his missions in Keetmanshoop, South Africa - and to ordain to the priesthood our six deacons.

The ordination ceremony was held in Our Lady of Ransom Church in Philadelphia on May 31st.

Bishop Edward Schlotterback, O.S.F.S. and friend.

Bishop Schlotterback, a native of Philadelphia, was graduated from Northeast Catholic High where the Oblates have taught for almost sixty years. As a young priest he taught biology there and served in World War II as a Paratrooper Chaplain.

Bishop Schlotterback's brother, Joe, is married to Oblate Fr. William Spaeth's sister, Dolores. Joe and Dolores have been Sponsors of the Oblate Helpers' Guild for years.

I DREAM A LOT

He's known as Father Harry.

As ranks of chattering three - and four-year-olds file past him in the hallways at Holy Cross Catholic Church, he's greeted in high-pitched, tiny voices.

As one little boy who goes to playschool at Holy Cross said, **"They call him Father because he acts like he's everybody's father."**

That pleases Father Harry McGovern, pastor at Holy Cross, who makes his love for children no secret.

Much to the disappointment of hundreds of members of the Holy Cross community, Father Harry will be leaving the parish in June. He's

Mrs. Candy Petite's birthday cake is a big hit.

been assigned to another parish - a rather large one with a grammar school, high school and 30,000 parishioners. And it's in Montevideo, Uruguay - South America.

Father Harry and Tony Gilborges have their arms full!

Uruguay is a country of about 3 million people in an area a little smaller than North and South Carolina combined.

Father Harry will be the only American Oblate priest in the entire country. He'll be working as parish priest as well as administrator for the two schools run by the parish.

"I find it very, very difficult thinking about leaving Holy Cross. I've gotten a great deal of satisfaction from my work here - the Child

Development Center, the Youth Program, the Education Program, the physical expansion. We've done more than anyone could expect in five and a half years, and we've done it with a great deal of cooperation and support."

Father Harry will be leaving Holy Cross in June when he will travel to Bolivia for six months of intensive language school. He will then be sent to Venice, Florida, for six months working with a community of migrant workers.

Father Harry plays host.

Says Father Harry, "A smart man never tries to reproduce in a new assignment - the last assignment. Holy Cross is a unique place, and I

never intend to reproduce Holy Cross in another part of the world. I believe you have to find the people where they are and look at them and respect them for what they are."

While the members of Holy Cross may be disappointed to be losing Father Harry, they can see the reasoning behind his new ministry in South America.

Feeding time and nap time!

"I dream a lot and I try to put my dreams into reality. I guess I dream much bigger and much more than anybody could possibly put into effect. So, I'm always 'becoming.'"

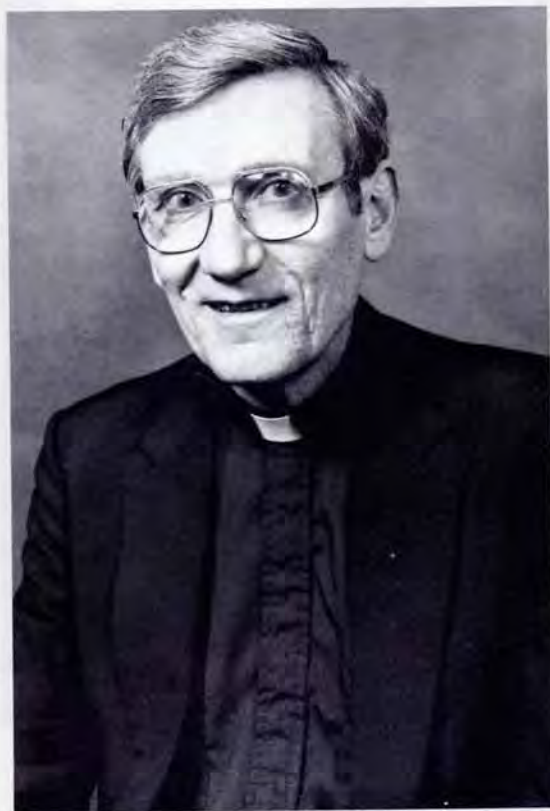

"I like my life. I like being a priest. I like being pastor at Holy Cross. A great part of me is going to remain here, and Holy Cross is going to remain a part of me forever."

Ready-and-Willing

Rev. Mark Jude Wrightson, OSFS

A native of Wilmington, Delaware, **Father Wrightson** celebrated his Mass of Thanksgiving in his home parish, St. Joseph. He was graduated from Allentown College with a degree in French - and is working for his Masters in English at Villanova University. He returns to Salesianum High, (Class of 1975,) - his first assignment after Ordination.

Rev. Edward Francis Myers, OSFS

Father Myers served as Deacon in St. Joachim parish, helping Oblate Fr. Tony Silvestri. He will return there as a full time associate. He is a graduate of West Catholic High and Villanova, 1952, with a degree in Engineering. Before entering the Oblates he worked in design and development of data processing for the Burroughs Company in Paoli, Pennsylvania.

Rev. Michael Sean Murray, OSFS

A graduate of Salesianum High in Wilmington, **Father Murray** will return there to teach in September. His deacon internship was spent with Oblate Fr. James Behan in Durham, North Carolina. He is pursuing a degree in Secondary School Administration. His Mass of Thanksgiving was celebrated in the Salesianum School Chapel, our first Oblate school in America.

Rev. John Andrew Hanley, OSFS

Our first ordained North Carolinian - a native of Raleigh - **Father Hanley**, a graduate of the University of North Carolina, with degrees in Psychology and Theology, he continues his studies in Religious Education.

His deacon internship was at St. Elizabeth parish in Whitehall, Pennsylvania. In September Fr. Hanley will teach at Father Judge High School in Philadelphia.

Rev. Peter John Leonard, OSFS

A talented pianist and organist, **Father Leonard** said his Mass of Thanksgiving in the Church of the Ascension, Philadelphia - his grade school alma mater. Fr. Leonard received degrees in biology from Allentown College of St. Francis de Sales and Catholic University of America. He will return to Allentown in September as a member of the biology department.

Rev. Angelo Francis Maraldo, OSFS

Father Maraldo said his Mass of Thanksgiving in Chester Heights at St. Thomas the Apostle Church - a parish once under the care of St. John Neumann. In September Fr. Maraldo will join the first Oblate faculty at Archbishop Wood High in Warminster, Pennsylvania. He is a graduate of Moravian College with a major in Music and is a candidate for a Master of Arts degree in Liturgical Studies.

Tar Heel Apostles

There are eight Oblates of St. Francis de Sales working in seven parishes in North Carolina. (Half of the parish priests in the tar-heel state are members of religious congregations.) The Oblates are Fathers Joseph Schaefer, John Murphy, Joseph Tustin, Joseph Zuschmidt, William Bleiler, Harry McGovern in the Charlotte diocese; Fathers James Behan, Joseph Lynn in the Raleigh diocese. For six months this year Fr. Behan had the able and greatly appreciated help of Oblate deacon, Michael Murray.

Mike Murray able assistant at Holy Infant Church.

Father Jim Behan, pastor of Holy Infant Church, Durham, North Carolina.

On one Sunday of every month the North Carolina Oblates try to get together for an afternoon of rapping. During my stint in Kernersville I was privileged to attend one of these get-togethers. Topics discussed included Holy Week liturgies, successes

and disappointments in their ministry, financial worries, the great cooperation of their parishioners.

These men are totally dedicated to the work of the Lord. I was impressed by their achievements - and edified by their zeal.

Incidentally, each of the Fathers brought a covered dish - so, the body was fed as well as the heart and soul.

The Church in North Carolina is growing. Fr. Behan's parish in Durham in three years grew from 160 families to 500; Fr. Zuschmidt's from 20 to 250 in eight years. All see the need to expand. They are optimistic about the future. But they are well aware of the great harvest and the need for more laborers.

The Lord's work of the Oblates of St. Francis de Sales is going well in North Carolina - thanks to these good men and their faithful flocks.

An Honest Politician

Seminarian Joseph McGonigal has no political ambitions though his Major at Allentown College is politics. A Junior, Joe looks forward to being on the teacher's side of the desk. His professor, Oblate Fr. Bernard Donahue, has greatly influenced him. And like his mentor Joe hopes to instruct his future students in the necessity of honesty in government - of justice and truth in high places.

Oblate Seminarian, Joe McGonigal - a very capable young man.

A graduate of Cardinal O'Hara High, Joe hails from Delaware County - Upper Darby, Pennsylvania. He is the "middle man" in his family: with two older sisters and two younger brothers. School keeps Joe busy - but he finds time for intramural sports, softball in the springtime. He's good at "juggling" too - figures, that is, in his job as assistant treasurer for the community at Brisson Seminary. This summer he

will be at Camp Brisson in North East, Maryland, working with boys and girls, coordinating activities - or even cooking, a talent he developed there several years ago.

Joe is a very capable young man. He is using his talents well for the Lord and for the Lord's people.

Brother Arthur Kerns
1913-1986

It was to Brother Arthur Kerns that we so often went - to ask for prayers. We were assured that he would include our intentions in his long vigils in the chapel - and in his favorite - the Rosary.

Brother Art was a good man - a good Oblate. He was highlighted in our Newsletter, No. 32. He was an easy subject!

We miss him - his smile, his bounciness, quick step, his manly innocence and piety. We are confident that he remembers us as he continues his conversations with the Lord and the Lord's mother.

Family Activities

Last year's International Family of the Year, the **Joseph Corleys of Jamestown, North Carolina (Bishop Hafey Council 4507, High Point, North Carolina)**, are thirteen members strong. Their devotion to the Church, their community and the family — they've had 66 foster children in their home since they were married — should be an inspiration to every member of the Knights of Columbus.

FAMILY OF THE MONTH PROGRAM

There are families just like the Corleys in your council. They have distinguished themselves by their commitment to their faith, each other and the Order. To honor these families, the Supreme Council developed the Family of the Month program.

To participate in the program, your council must first select a member and his family as the "Family of the Month" using the guidelines explained in the "Family of the Month" booklet (Item #1993-nc). Then, the "Family of the Month" report form (printed on pages 4-14 of the booklet) must be returned to the Supreme Council Service Department. On the fifteenth day of

Prepared by Tim S. Hickey

January 1, 1987 Issue #1

The new year is already upon us. Instead of wondering about what happened to the previous twelve months, give some time and thought to what you can do to make every day of 1987 more rewarding for you, your family and your brother Knights.

There's still plenty of time left in the fraternal year to help your council achieve Star Council. Have you gotten involved in any volunteer service programs that could help the council qualify for the Columbian Award? Does your council have its own First Degree team? Are you a member of it?

What have you done to boost your council's membership? Have you recruited a new member? Your recruitment efforts could help the council meet its membership or insurance quota, thus qualifying for the Father McGivney and/or Founders' Awards.

Your council needs you and every member to get involved and stay involved. Make a resolution today to be a more active member of your council and help it win Star Council for the 1986-87 fraternal year.

Church Activities

At the midyear meeting of state deputies, Supreme Knight Dechant laid the groundwork for the Order's upcoming pro-life initiative, "CRUSADE FOR LIFE." This Orderwide campaign to seek a repeal of liberal abortion laws will involve the time, talent and manpower of every willing member and his family.

PARISH PRO-LIFE PROGRAMS

Every council should already have in existence a pro-life committee that plans council pro-life programs such as speakers, film series, special Masses, rallies, and other events. An issue as serious as abortion is, however, deserves increased involvement and participation from others in your parish and community.

The National Committee for a Human Life Amendment, Inc., 1430 K Street, N.W., Suite 800, Washington, D.C. 20005 (202) 393-0703, recently issued a series of ten activities and projects designed to help develop an effective pro-life base in your parish community.

- Assess your pastor's and your parish council's knowledge on the abortion issue and educate accordingly.

Olivia's Story

Olivia's Story

In 1981 I was 22, unwed, unemployed and pregnant. Both the baby's father and myself were caught up in the nonsense of our times. We were from good Christian families but we had learned from all our outside "teachers" to think and live for ourselves. So talking with our "outmoded" families was out of the question.

Like many other young women today, I was, as the song says, "looking for love in all the wrong places." So when the baby's father, feeling the pressure of unwanted responsibility, urged abortion as our "out," I was alone in not wanting to do this. To make a long and oft-told story short, after weeks of pressure and tension, and the aid of the local Planned Parenthood agency, I caved in. Somehow, I convinced myself it couldn't be that bad. If having the abortion would keep my boyfriend in my life, I would do this awful thing.

On February 27, 1981, in the beginning of my fourth month, I had a suction aspiration abortion—alone. My boyfriend did not go with me.

The abortion experience was worse than I'd imagined, and the months following were dark and desperate as my boyfriend and I lived out our mortally wounded affair. Both of us were suffering from what is now referred to in professional circles as "post-abortion syndrome." Three months later we separated.

Saddest of all perhaps is that at the time of my abortion my parents were active in the pro-life movement and would have had options filled with love and hope—but I shut them out. Reconciling with my family was one of the more important, yet painful, parts of the healing aftermath. I was also fortunate because I found concern and support among pro-life people in 1982. They cared enough about me to understand.

That, then, is the history of my abortion. But I really want to talk about hope, not history.

There is a great need to be whole again after abortion. A woman has cast aside her life-giving capacity and often has a hard time believing that her own life still has merit or

purpose. I knew that part of feeling whole again meant returning to my church and the sacraments. As the mystery of God's way unfolded, I recovered peace. That sense of peace has brought with it for me real joy and new hope for the future.

Much is made today of abortion's second victim—the mother. But abortion has many victims. The child, the mother, the father, grandparents, aunts, uncles, siblings—all are at a loss when abortion is chosen. For myself, there is personal loss because I don't know my child. But the greater loss is that you don't know my child, or any of the children we've lost through abortion.

Thousands upon thousands of women who have had abortions need help to be whole again. But it is even more important that efforts to counter pro-abortion sentiments and policies continue at all levels—local communities, parishes, and state, local and national governments—so that no woman will ever feel pressured to abort her child. Efforts to tell people about the humanity of the unborn and the evil of abortion must continue. Services for women experiencing crisis pregnancies must be made readily available and expanded, and these must be well publicized so that women can find the help that is there. And our laws and public policies must be changed so that the lives of all—including our unborn children—will once again enjoy the full protection of the law.

Each of us has something to offer. Your help is needed—whether you can offer prayers at home, provide financial assistance, stuff envelopes, or speak persuasively before audiences great or small.

Join your parish Respect Life Committee today. Offer your services to other pro-life groups. If you don't know where to find them, contact the Pro-Life Director in your diocese whose name is available from the Chancery.

There is so much to do. But working together, we can solve the problem. There are no limits in life, only in death. For each child conceived is hope and joy and love asking only for a chance despite the odds.

Abortion and the Law

Early 1960s: Abortion proscribed by law in all states.

Late 1960s: Abortion laws "liberalized" in several states; most states continue to proscribe abortion or allow it only in rare circumstances.

January 22, 1973: In *Roe v. Wade* and *Doe v. Bolton*, the Supreme Court holds that a woman has a constitutional right of privacy that includes a right to choose abortion. The unborn child is only "potential" life, and as such is not entitled to the protection of the law prior to "viability." Even then, under the court's ruling, legal abortions can be performed for little or no reason throughout pregnancy.

1976: In *Planned Parenthood v. Danforth* the Supreme Court invalidates broad portions of Missouri's abortion law including those allowing spouses and parents of unmarried minors to concur in a woman's abortion decision. The court approves in principle, but without explanation, the need for informed consent.

1979: In *Bellotti v. Baird* the Supreme Court says a state may not require in every instance that parents consent when their unmarried minor daughter seeks an abortion.

1979: In *Colautti v. Franklin* the Supreme Court considers a Pennsylvania statute that requires doctors to take appropriate steps during and after an abortion to protect the life of a fetus that "may be viable." The Court holds the statute to be unconstitutionally vague.

1980: In *Harris v. McRae* the Court rules that legislators may restrict public funding of abortion without violating the constitutional "right" of abortion.

1981: In *H. L. v. Matheson* the Supreme Court upholds a state law requiring that parents be notified when an unemancipated minor seeks an abortion, but the Court insists that a minor must have the option of persuading a judge to waive the notification requirement.

1983: In *City of Akron v. Akron Center for Reproductive Health* and related cases, the Supreme Court nullifies efforts to regulate abortion clinics and ensure informed consent for abortions. The Court's newest member, Justice O'Connor, warns in her dissent that the *Roe* decision is on a "collision course" with itself and with medical reality.

1986: In *Thornburgh v. American College of Obstetricians and Gynecologists*, the Supreme Court invalidates Pennsylvania laws regarding, among other things, abortion of a viable child and "informed consent," by the narrow margin of 5 to 4. In his dissent, Chief Justice Burger accuses the Court of removing all obstacles to abortion on demand, and joins other dissenters in asking that the Court "re-examine" its 1973 decision.

Human Life: Its Beginning

Human life is a continuous developmental process that begins at conception and ceases at death. Each person's life begins inside the mother's body at conception, and from the beginning each is human, unique and self-developing.

The foundations for the entire nervous system are established by 20 days. The heart begins to beat in irregular patterns at 21 days, and in smooth rhythmic contractions at 28 days.

38 days

This tiny human being has been observed moving as early as the sixth week—often before the mother knows for sure that she is pregnant. By the eighth week the developing child bears the familiar external features and all the internal organs of the adult. Yet he or she is only about 1½ inches long.

42-44 days

In the third month, the child becomes quite active, with movements that are fluid and graceful. In the remaining months in the womb the child will continue to grow and to act more and more like a newborn baby, sleeping and waking, seeking positions of comfort, and reacting to music and loud noises. The child is preparing for birth.

But even at birth, the developmental process is not complete. Important changes will continue to take place during infancy, childhood, adolescence and adulthood. Most developmental changes are completed by age 25.

Olivia's Story was written by Olivia Gans, founder of American Victims of Abortion (AVA). AVA is an organization comprised of individuals who have been touched personally by abortion, people who have a powerful, if disquieting, message to deliver. Working with established pro-life groups, AVA is developing a cadre of competent and secure people to challenge the pro-abortion rhetoric in the media and through the legislative process. **American Victims of Abortion**, 419 Seventh St., N.W., Suite 402, Washington, D.C. 20004.

KNIGHTS OF COLUMBUS

At the K of C Convention awards luncheon in Charlotte on May 17, Holy Cross Council 8509 won the following awards:

- 1—Best in State Group I Council (unprecedented two years in a row)
- 2—Distinguished Council
- 3—Best Scrapbook

We would also like to thank Father Harry and our parishoners, as well as the Women's Club of Holy Cross, CYO, Church board members for their support and participation during the year, which helped our Council to be the best!

Awards ceremonies highlight convention

CHARLOTTE—Among the highlights of the annual state convention of the Knights of Columbus in Charlotte were the award ceremonies.

This year's award luncheon on May 17 featured dozens of plaques, trophies, certificates and medals awarded for everything from best softball team to best supporter of the annual convention.

Perhaps the most touching moments of the ceremony came when four young people recited their essays and poems, which were judged best in the Knights' annual vocation and patriotism contests.

Randy Short, sponsored by Greensboro Council 939, won the best vocation essay contest. Heather Vernon, sponsored by Rocky Mount Council 4600, won best vocation poem.

Tim Jenkins, sponsored by Fayetteville Council 2838, won best patriotism essay. Sean Egan, sponsored by the Greensboro Council, won top

honors for his poem on patriotism.

The evening banquet also featured some awards including Knight Family of the Year, which went to Fred and Bea Corley of Jamestown. Corley is a member of the High Point Council.

The Corleys were honored for their dedication to their 11 children and for their care over the past 18 years of 66 infants who were placed in their home as foster children through Catholic Social Services.

The Knight of the Year award went to Gerald F. Lewis of the Raleigh Council. The Golden Knight award for accomplishments over the last 10 years went to John Organ of the Wilmington Council.

Chaplain of the Year was given to Msgr. Frederick Koch, pastor of Sacred Heart parish in Pinehurst and chaplain of the Southern Pines Council.

Best Council of the Year went to Charlotte Council 770.

State officers will lead the Knights of Columbus during the coming year. They are (from left) State Advocate Don Dubois; State Secretary Everette Lamczyk; State Deputy Ron Carney; Past State Deputy George Wahl; State Treasurer Richard Grebner; and State Warden James Neely. (Photo by Mary Coyne)

STAR COUNCIL 8509

STAR COUNCIL AWARD

For the second consecutive year Holy Cross Council has been awarded the Star Council plaque from Supreme Council. Just how much of an honor is this? First, let us list the requirements --- there are three categories: the Columbian Award, the Father McGivney Award, and the Founders Award.

The Columbian Award consists of four or more programs in each of the following activities -- Youth, Church, Council, Community, and Family.

The Father McGivney Award is for having at least two First Degree Exemplifications during the fraternal year.

The Founders Award is for presenting a K of C insurance information program and also for complying with the insurance quota for the year.

These qualifications are not easy to achieve. Look at the statistics for last year:

Out of 8,495 K of C councils in North America, only 765 made Star Council.

Out of 52 North Carolina councils, only eight other councils plus Holy Cross earned the Star Council Award.

Congratulations are in order to all members of our council and to P.G.K. Jim St. John.

STAR COUNCIL AWARD

At the closing of our second degree on Nov 12, D.D. James Green Sr. presented Holy Cross Council with the highest honor a council can receive: The "Star Council" plaque. This is the second consecutive year Supreme Council has bestowed this honor on Holy Cross. Congratulations to P.G.K. Jim St. John and brothers of 8509. Let's go for three!

ROOKIE'S CORNER (Oh, What a Knight)

Well, I finally took the first step. I became a member of the Knights of Columbus. I think it was a very important step and a good choice to serve my church and community; and my fellow man. It's not exactly easy right now, being a brand new member, to be able to describe how the knights go about their business. But my initiation at my first meeting went off very well, even though I was very nervous before and after the first degree. Having joined the top rated A council in the state, I expect to really get involved and do my part as a brother knight. Well anyway it's time to sign off. Oh, wait a minute, the phone is ringing . . . Hello? Yes, Mr. St. John? Yes, I'll be there . . . No, I won't eat all the tootsie rolls. . . Until next month??

ANNUAL MEMORIAL MASS

The K of C annual memorial mass was said on Sunday Nov 23 at 10:00 am, Knights with their families totalled over fifty people in attendance. Mass was said in honor of Norris Roy and all other brother knights that have passed on during the year in our state.

FOUNDERS DAY CELEBRATION

A Special Day in Many Ways

Our K of C mass was highlighted by the participation of the Fourth Degree honor guard. Many thanks to the Abbot Vincent Taylor Assembly honor guard and the commander Tom Cullen for exhibiting the true meaning of respect and dignity our eucharist should maintain. Breakfast at Shoney's was attended by 16 members plus their families, which was then followed that evening by our awards and founders supper in the church hall, with 75 people in attendance.

All in all it was a full and complete day, which exhibited the principles of the Knights of Columbus: Charity, Unity, Fraternity and Patriotism. We also exhibited the reason for our fraternal organization, to better Church, Family, Youth, Council, and Community program involvements.

OPERATION LAMB

Operation Lamb

Kernersville Knights of Columbus will be giving away Tootsie Rolls and asking for donations to help retarded children at local shopping centers here Nov. 6-9 and Nov. 13-16. Last year the Holy Cross Council was able to contribute \$3,500 to Horizons Care Center in Rural Hall. Asking for your donations are, left to right: Dave Reinhart, Dick Reynolds, John Logan and Dan McCracken. (Photo by John Staples)

We will be conducting our third annual Tootsie Roll campaign for the mentally retarded children this year on Nov 6 thru 9 and Nov 13 thru 16.

These dates include Thursday, Friday, Saturday and Sunday of each weekend. We will need more volunteers working more shifts to make this drive a success.

Last year we were able to collect \$2,647, and with an assist from the state fund we donated \$3,500.00 to Horizons Residential Care Center. This was a marvelous achievement, but we were below quota. Despite being No. 1 small council in North Carolina for two consecutive years, we have never been eligible for a council Operation Lamb award.

We will be soliciting at both Food Lions in Kernersville, Lowes, McDonald's, and Parkway Plaza. Shifts on all days except Sunday will be 9am to noon, noon to 3pm, 3pm to 6pm, and 6pm to 9pm. The 9am to noon and 6pm to 9pm shifts will not be run on Sundays.

To cover all shifts every day with one worker at each location, a total of 186 shifts is required. We are asking each Knight to volunteer for a minimum of four three hour shifts. Wives and children, cousins, nieces, nephews, and even mothers-in-law are welcome to help. The weekday daylight shifts are particularly important.

We will be contacting each Knight before the drive begins. Remember -- this is the finest charitable act we perform as Knights. A little sacrifice is good for the soul, and no other program during the council year is as important to get the council working. Be generous with your time. Sign up for more than four shifts. Include your family in the work.

Remember, the children are depending on you.

HOLY CROSS KNIGHTS JOIN HANDS ACROSS THE STATE

Brother Bill Connor has received permission from State Council to ask every K of C council in North Carolina to join us in our raffle ticket campaign. This campaign is to fund the "head injury hospital" in conjunction with the Richard Leslie Foundation. The raffle tickets, the letters, as well as the funds will be handled by our council. There will be drawings each month for a 19" color TV, plus the final grand prize drawing on October 31, 1987 for a 1967 red Maserati sports car, valued at \$25,000.00. (One dollar per chance, or seven for \$5) We hereby ask all our brothers across the state to join hands and get this excellent charitable program off to a good start.

OPERATION LAMB

On March 12, G.K. Dick Gooley of Santa Maria #2829, and G.K. Tony Petite of Holy Cross #8509 jointly presented Operation LAMB proceeds to retarded childrens foundations. Holy Cross gave \$6,450 to Mr. Byrd of Horizons Residential Care Center for the purchase of a Parker hydraulic bath unit. Santa Maria council presented checks to several different retarded childrens schools and homes.

It was a great feeling of satisfaction. Well done, brothers, the time and effort was all worth while. And thanks to the families and outside support we had during our campaign.

The presentation ceremony was taped by WXII-TV Channel 12, which should certainly give the Knights of Columbus some welcome publicity in the state.

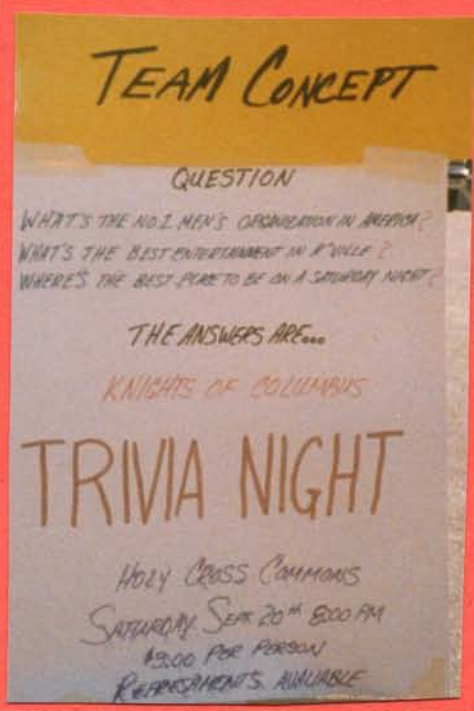

TRIVIA NIGHT

TRIVIA NIGHT FAMILY SOCIAL

It was a fun night for 45 adults and eight children. Table #2 almost broke the bank as the team of Beiles, Przybyłowicz, and Petticord won two games in a row by ten o'clock.

Many thanks to the working family of Bill Johnson and to Bill Connor for the door prizes. Also a tip of the hat to the K.P. crew and Diana McCracken for keeping them straight in the kitchen. By the way, the K.P. crew was dead last in the game until a 14-year-old came to the rescue.

SUPERBOWL PARTY

Sixteen brave souls attended our superbowl party, disregarding the nasty weather. It was an eventful evening with thirteen rooters for the Giants and three for the Broncos. Many thanks to Candy Petite who worked her tail off to keep us fed, and to the St. Johns who brought everything but their kitchen sink. It was a very satisfying evening for the Giant fans as they became the world champions and for Joe St. John as he was the winner of the football pool.

Knights give \$66 million to charity

NEW HAVEN, Conn.—The Knights of Columbus disbursed more than \$66 million in charitable and benevolent aid in 1985. The Knights also volunteered more than 23 million hours of service.

The 4,523 Knights in North Carolina donated an average of \$123.88 per member, which was one of the highest per capita donations in North America.

The figures emerge from a compilation of responses to a survey answered by 81 percent of the Catholic fraternal society's 10,095 state and local units.

Last year's disbursements represented an increase of \$11,147,363 over the previous year.

A statistical breakdown by jurisdiction placed the 72,749 Knights in Michigan at the top during the past year, with charitable contributions of \$4,187,466. Next came the 108,976 Knights of Quebec with \$3,856,696. They were followed by the 45,665 Knights in Ontario with a total disbursement of

\$3,379,635.

Five jurisdictions, California, Illinois, New Jersey, Ohio and Texas, topped the \$2 million mark; 10 more exceeded the \$1 million mark.

The highest per capita donations came from smaller jurisdictions. British Columbia, with 6,077 Knights, averaged \$144.29 per member. Alberta, with 10,793 Knights, averaged \$141.40 per member. Newfoundland's 5,770 Knights averaged \$120.86 per member.

Founded in New Haven, Conn., in 1882 by Father Michael J. McGivney, then a 29-year-old assistant pastor at St. Mary's Church, the society has spread throughout the United States, Canada, Mexico, the Philippines, Puerto Rico, Guatemala, Guam, the Virgin Islands, Panama and the Dominican Republic.

Current membership is 1,432,637, the highest in its history. Membership has been rising constantly for more than a decade.

YOU ASKED FOR IT, YOU GOT IT!! ***OPERATION LAMB CAPS***

At the recent STATE COUNCIL meeting in Hickory, we had a very successful 2-day OP-LAMB seminar. Several councils asked for some SPECIAL CAPS to wear when working the Tootsie Roll beat.

So, we've made 200 high quality blue/white "baseball" caps (they go great with the yellow apron) with a four color display "K of C Help Retarded Children". Also, a picture of a Tootsie Roll.

Since these caps will be the personal property of the user, OP-LAMB money should not be used to pay for them.

GRAND KNIGHT'S CORNER

I would like to take this time to thank my brother Knights for electing me as their new Grand Knight for the up-coming fraternal year. I really have a hard act to follow in the up-coming year. How can one improve on the leadership and outstanding job that my two predecessors have performed. I would like to congratulate and salute both P.G.K.s brother Livelsberger & St. John, for the outstanding job they did as Grand Knights. In the coming year I would appreciate the same response and support from my officers and council members that the two P.G.K.'s had experienced.

I am setting three main goals for my term as Grand Knight:

1. 50% membership addition to our council.
2. 50% youth program improvement.
3. An increase in our Financial Income Base.

To some of you these goals may seem unrealistic, but with your help and hard work I know Holy Cross Council can achieve these goals. I am also depending on our new members to not only take an active part in council projects but to bring in yet a newer generation of members. Admission forms will be available at every meeting, so please take some forms and ask someone to join our council. Requirements are threefold: male, age 18, and a Catholic in good standing. I would like to see the largest First Degree class in our council's history on October 8. I am definitely looking forward to working with all of my brother knights in the coming year.

To continue the council's outstanding record and achievements. To be the best.

EDITOR'S NOTE

No, the U.S. Postal Service didn't mess up. There was no publication of the Kerner Knight in July. It was decided at the June 11 business meeting there would be no activities until August, but the June newsletter had already gone out.

INSTALLATION OF OFFICERS

Sunday, June 22, 1986 --- The new officers for the fraternal year 1986/87 were sworn in by District Deputy #5 James Green, assisted by his Warden Bill Schlosser. The ceremony was followed by a family cookout and awards program. The day was a huge success with over forty adults and more than twenty children.

Many thanks to PGK Jim St. John, who really went out in high style.

Kudos to Chefs par excellence brothers Reinhart, Cordano, & Staddon. I believe this affair really indicated why we are Number One. A great day for Council 8509.

STATE ORGANIZATIONAL MEETING
Hickory, NC, July 12,13

The Shroud of Turin exhibition will be at
the Burlington council Oct 17,18,19.

Holy Cross will have the Pilgrim Virgin
in February or March.

The K of C is now a corporate sponsor for
the Special Olympics. Supreme Council
gave a grant of \$250,000.00

Degrees are no longer to be called by
name, such as Admission, Knighthood, etc.
They are properly to be called "First",
"Second", "Third", etc.

North Carolina K of C grew by 500 new
members and 3 new councils in 1985-86.

All Grand Knights are to receive a copy
of the District Deputy's Council
Report.

NC State K of C would like to see a 5%
increase in membership for each council.

District Deputies are to audit officers'
meetings and membership drives.

To be valid, a First degree must have a
certificate recognizing an honoree.

Everyone is to try to get a new member by
October 1, 1987. N.B., whoever signs
him up is responsible for his trans-
portation to both 1st & 2nd degrees

A-TOUGH-ACT-TO-FOLLOW DEPT.

I feel like I'm on the losing side
of a shut-out, and it's only the first
inning! Our Past Grand Knights have done
such splendid jobs the last two years that
even a moderately good performance is going
to look mediocre by comparison. We've
earned the following awards for two years
running:

Best Council in State Group I

Distinguished Council

Best Scrapbook in State Group I

Where do we go from here? -- Help, help,
help your new Grand Knight.

NOTE: Because of the recent construction at Holy Cross Church,
we're not sure where Wed. night's business meeting will
be. Let's gather in the commons and we'll take it
from there.

SORM ?

What is a sorm? A sorm is "September's Our Recruiting Month". So please ask a gentleman that you know to join our ranks. October 8th is the date set for the First Degree. For 100 (admission) forms see Brother Bill Gerichten at church after mass. Make our council even stronger by bringing in a new member. Just ask someone; one on one really works.

GRAND KNIGHT'S CORNER

"Remember September our Recruiting Month"

There are many things you can do to make our council a better one. None better than enlisting a new member. If our council is continually to take part in programs of action for the church and community, a great need of new members exists. These new Catholic gentlemen are needed to serve with our council. We seek their unselfish participation and leadership abilities to continue our fine programs. There are over four hundred families in Holy Cross parish, and I am sure there are many fine Catholic gentlemen who would like to be Knights but feel they are not wanted because they've never been asked.

So, brother knights, let's all join together and each bring in a new member. Just ask someone --- you will be very surprised at the results of a one-on-one encounter. No action, no reaction.

THE JOHN STADDON / FRANK CAIN MEMORIAL FUND

Brother Michael Staddon proposed at our August meeting the initiation of a perpetual fund for needy children. He and his family pledged \$1,000.00 to initiate it. The council approved unanimously and will add to this principle on an ongoing basis. The interest from this fund will be utilized for needy children in various forms of savings bonds, cash scholarships or awards.

Many thanks to the Staddon Family and the Candy Cain (Staddon) Family. This is a outstanding form of charity that will allow the Knights of Columbus to perpetuate their charitable works.

This is exactly what the K of C is all about -- great going, Candy and Mike.

For those interested in donating, a special account has been established. See Larry Macioce.

BEING A CATHOLIC DOESN'T END IN CHURCH

Just in case we did miss asking you to join the Knights of Columbus, we apologize! Take action into your own hands -- contact Bill Gerichten after masses or call G.K. Tony Petite at 996-3867. Do it now!

STAR COUNCIL AWARD

For the second consecutive year Holy Cross Council has been awarded the Star Council plaque from Supreme Council. Just how much of an honor is this? First, let us list the requirements --- there are three categories: the Columbian Award, the Father McGivney Award, and the Founders Award.

The Columbian Award consists of four or more programs in each of the following activities -- Youth, Church, Council, Community, and Family.

The Father McGivney Award is for having at least two First Degree Exemplifications during the fraternal year.

The Founders Award is for presenting a K of C insurance information program and also for complying with the insurance quota for the year.

These qualifications are not easy to achieve. Look at the statistics for last year:

Out of 8,495 K of C councils in North America, only 765 made Star Council.

Out of 52 North Carolina councils, only eight other councils plus Holy Cross earned the Star Council Award.

Congratulations are in order to all members of our council and to P.G.K. Jim St. John.

THE DIRTY DOZEN

Thanks to the Knights who helped spackle, sand, repair, and otherwise clean up our new day care center. The turn out was great --- keep it up. Thanks.

PAST GRAND KNIGHT'S CORNER

We will be conducting our third annual Tootsie Roll campaign for the mentally retarded children this year on Nov 6 thru 9 and Nov 13 thru 16.

These dates include Thursday, Friday, Saturday and Sunday of each weekend. We will need more volunteers working more shifts to make this drive a success.

Last year we were able to collect \$2,647, and with an assist from the state fund we donated \$3,500.00 to Horizons Residential Care Center. This was a marvelous achievement, but we were below quota. Despite being No. 1 small council in North Carolina for two consecutive years, we have never been eligible for a council Operation Lamb award.

We will be soliciting at both Food Lions in Kernersville, Lowes, McDonald's, and Parkway Plaza. Shifts on all days except Sunday will be 9am to noon, noon to 3pm, 3pm to 6pm, and 6pm to 9pm. The 9am to noon and 6pm to 9pm shifts will not be run on Sundays.

To cover all shifts every day with one worker at each location, a total of 186 shifts is required. We are asking each Knight to volunteer for a minimum of four three hour shifts. Wives and children, cousins, nieces, nephews, and even mothers-in-law are welcome to help. The weekday daylight shifts are particularly important.

We will be contacting each Knight before the drive begins. Remember -- this is the finest charitable act we perform as Knights. A little sacrifice is good for the soul, and no other program during the council year is as important to get the council working. Be generous with your time. Sign up for more than four shifts. Include your family in the work.

Remember, the children are depending on you.

Fraternally,
Jim S. John, PGK
Chairman, Operation LAMB

IMPORTANT BUSINESS MEETINGS

Oct 8 --- Dues increase discussion
First Degree Exemplification

Nov 12 --- Final discussion on annual dues
Host Second Degree

All Knights should make every effort to attend these meetings. Let's show our new brothers why we are number one in the state. All meetings will be held in Holy Cross Commons Hall at 7:30 pm sharp.

HELPING HANDS FOR HOLY CROSS PARISH

Many thanks to all the Knights who worked on the new Play School and Activity House. It was a job well done which included many skills --- carpentry, electrical work, painting, floor sanding, varnishing, and general clean-up. Approximately 40% of our council membership took part.

Special thanks to Gerald Moerner, Bob Benford, and Mike Staddon for their efforts toward this project as well as Bob (Spraygun) Lundergan

KERNERSVILLE'S FUTURE

Our social meeting on Sept. 24 featured guest speaker Kernersville Alderman Larry Brown. Twenty one people attended this excellent presentation by Mr. Brown. During his speech he covered topics on fire department, sanitation, annexation, taxes, water, sewage, roads, police, shopping centers, and new housing developments. During the post-meeting discussion the overall outlook is that Kernersville is not prepared for the future and the inevitable expansion the future will bring.

DIXIE CLASSIC FAIR

October 3 - 11, 1986

Please sign up for working the church's Food Booth. All Knights and their families are needed to make this church fund raiser as much a success as last year. Sign-up sheets are available after each mass on Saturday and Sunday.

TRIVIA-NIGHT-FAMILY SOCIAL

It was a fun night for 45 adults and eight children. Table #2 almost broke the bank as the team of Beiles, Przybylowicz, and Pettigord won two games in a row by ten o'clock.

Many thanks to the working family of Bill Johnson and to Bill Connor for the door prizes. Also a tip of the hat to the K.P. crew and Diana McCracken for keeping them straight in the kitchen. By the way, the K.P. crew was dead last in the game until a 14-year-old came to the rescue.

FUND-RAISER - RAFFLE TICKETS

Thanks to brother Bill Connor we now have our first major fund raiser. Prizes include a \$600 VCR (VHS) and many more prizes. Your council expects you to do your part and sell as many raffle tickets as you can. Please return your money and stubs to me (your GK) or Al L. (your ES), and/or Brother Bill Gerichten. Thanks again for your participation in this important activity.

SUN SHINES FOR ALTARBOYS

Eight of the eleven altarboys attended the K of C Appreciation Day Pool and Picnic Party. The boys enjoyed a sunny Saturday eating hot dogs, chips, beans, Cokes --- swimming --- followed by a football game --- then back to swimming. We wish we had some of that energy. This is our way of saying thank you to all the altar servers at Holy Cross parish for a job well done.

STICK OUT YOUR CAN ---

The aluminum drive continues. Knights are saving cans, pots, pie pans, foil, old lawn chairs, and anything made of aluminum. We need more help. PKG Jim St. John will pick up if you can't bring your collection to council meetings. Call him at 993-2330. We will reveal no data on your consumption of foam.

Some statistics:

- * There are 28 aluminum cans to a pound.
- * Each pound brings 22c to our 1st Deg. fund.
- * Each can is worth \$.008, or eight mils.
- * Our fund needs \$70 more to meet our goal.

SO, YOU'RE THINKING OF INVESTING

Some facts to consider before you make your investment:

BRUTUM C'LLIOWSEKREX

1. Make sure your investment is placed beyond the reach of your creditors and those of your beneficiaries — a judgement proof investment.
2. Make sure that the value of your investment at death will not be subject to probate costs, legal fees and usual delays of court proceedings — a probate proof investment.
3. Make sure that your investment guarantees that principle and interest will always be available in the amounts and in the installments called for and that the investment will never go sour regardless of downturns in the economy — a depression proof investment.
4. Make sure that your investment guarantees that you can always borrow 95-100% of the value as stipulated in your investment without delay or requirement of co-signers.
5. Make sure that, as your investment appreciates each year, the gain will not be subject to federal income tax — a favorable tax investment.
6. Make sure your investment contains a clause which guarantees that proceeds payable upon your death will be delivered entirely free of income tax liability for your beneficiary.
7. Make sure that your investment contains a clause which guarantees that your investment program will stay intact and continue to grow even though you are unable to continue to work and earn as a result of total and permanent disability — a guaranteed investment.

If you are interested in an investment that contains all of the above features, and more, call me today for an appointment. I want to hear from you.

GRAND KNIGHT'S CORNER

Come help the Least Among My Brethren. Our Operation LAMB is in full swing, with four more days left to meet our goal. This is our biggest project of the year and the most satisfying.

These special children of God deserve all the good things in life that we can supply. I appeal to all the organizations and clubs that use Holy Cross facilities to come forward and assist us in this heart-warming gesture of charity. Please call Jim St. John at 993-2330.

I wish all of you could have been at our meeting the last two years, when our council gave a check to the director of one of the mentally retarded children's homes. Just to see his gracious smile and excited attitude, with his heart-felt appreciation, tells you it's worth all the effort.

Let's all join in unity and work on this very special project.

ROOKIE'S CORNER (Oh, What a Knight)

Well, I finally took the first step. I became a member of the Knights of Columbus. I think it was a very important step and a good choice to serve my church and community; and my fellow man. It's not exactly easy right now, being a brand new member, to be able to describe how the knights go about their business. But my initiation at my first meeting went off very well, even though I was very nervous before and after the first degree. Having joined the top rated A council in the state, I expect to really get involved and do my part as a brother knight. Well anyway it's time to sign off. Oh, wait a minute, the phone is ringing . . . Hello? Yes, Mr. St. John? Yes, I'll be there . . . No, I won't eat all the tootsie rolls. . .

Until next month??

SHROUD OF TURIN

This exhibit, which originates in Milwaukee, travels around the country. Burlington is as close as it came to our area. It is a beautiful presentation, explaining the latest scientific, theological and historical research on the Holy Shroud. Many thanks to all the knights who made this pilgrimage.

"... RENDERING PECUNIARY AID"

November in the Knights of Columbus is traditionally the time during which we remember our deceased Brother Knights have gone to their eternal reward.

also turn, naturally, to those who our Brother Knights have left behind, their widows and children. These are the same of a different generation, who occupied Father McGivney's thoughts in 1882 when he founded the Order.

asons listed on our charter for the establishment of the Knights of Columbus are: "rendering pecuniary aid to its members, and beneficiaries of members" and "rendering mutual aid and assistance to its sick, disabled and needy members and

a field agent for the Order has evolved from those principles. I am here to help you plan financial security — both for or those who you may leave behind. I am not here to sell you insurance because you might die and be a part of our s-next November. I am here to sell you insurance because someone else might live ... and I think you love that someone e her to continue to live with dignity.

y thought, but picture the first November your loved ones will spend without you. How does it look?

for an appointment I want to hear from you.

CHILD DEVELOPMENT CENTER

At the Oct. 25 Saturday mass, director Marilyn Delutis and her staff presented a plaque to the K of C for all the work the knights had done for the new play school. Many thanks to Marilyn and her staff from all of us for this presentation. Any time a decision is made to expand or build a new school the knights will be there to help.

HAUNTED HOUSE WATCH

The C.Y.O. asked our council to chaperone their activity on Oct. 30. Eight knights participated: Jack Armstrong, Mike Bauk, Bill Conner, Pete Couture, Aaron Crofts, Paul Minetz, Tony Petite, and Dave Walsh. Thanks for the support, fellas.

DIXIE CLASSIC KNIGHTS

A salute to all the knights and their families who worked at our parish's Dixie Classic Fair food booth. A record 60% of our membership was involved. Ya dunn us proud! The final night's motto was "Beat Last Year" (beeta-lesta-yeera in kitchenese). We did.

GRAND KNIGHT'S CORNER

'Tis the season to be jolly. Kids are excited, parents are running around getting ready for Christmas --- parties, gifts, festive decorating, family get-togethers. . . It's a very busy time of the year. But let us not forget CHRISTMAS IS CHRIST'S BIRTHDAY. The only reason to really celebrate is the birth of our savior. We will celebrate our council's third birthday by a mass on December 7th, followed by an evening wine and cheese party in the commons. I would like to remind all Knights to attend this party with their wives and children. Awards will be given to past winners, family of the month, knight of the month, degree team, appreciation winners, operation LAMB workers, and altarservers.

To all of you who will be travelling this time of the year please be careful and have a safe trip. We cannot afford to lose any of you -- knights or parishioners.

So from all of us at council 8509, may we wish you a blessed Christmas, and a very happy new year. To my brother knights, thank you for your support during the past six months. May we be even more active with more support from more brothers, especially with a full schedule planned for the next six months.

May God bless you all.

SCROOGE DIDN'T BELIEVE

Remember the story of Scrooge and his failure to believe in the spirit of Christmas. To all but the Scrooges of the world, the birth of Christ brings with it a warm feeling of family ties, a joy and pleasure that our faith brings to others.

A warm feeling comes from owning life insurance. Just knowing that, because of what you have planned, your loved ones will be comfortable for years to come if something should happen to you.

Scrooge would have believed in life insurance either, but men of good will do. And the world is a better place because of life insurance, they know that comfort and security will not be for only one day, but, instead, a gift that will provide for years to come.

Give a gift of security and protection. Happy and Holy Holidays to all of you!

HOLY CROSS KNIGHTS JOIN HANDS, ACROSS THE STATE

Brother Bill Connor has received permission from State Council to ask every K of C Council in North Carolina to join us in our ticket campaign. This campaign is to raise the "head injury hospital" in conjunction with the Richard Leslie Foundation. The raffle tickets, the letters, as well as the funds will be handled by our council. There will be drawings each month for a 19" color TV, plus a final grand prize drawing on October 31, for a 1967 red Maserati sports car, valued at \$25,000.00. (One dollar per chance, even for \$5) We hereby ask all our brothers across the state to join hands and get this excellent charitable program off to a good start.

GRAND KNIGHT'S CORNER

It's a new year and many of you knights and other Catholic men should reflect back on the past year: have I helped my council? --- my church? --- my community? We have twenty five knights who are active, which means forty of you are not taking part in your council's activities. Why not start being active by attending our Jan 14 meeting? Also fill out our survey on programs you might like to get involved in for 1987.

To you Catholic gentlemen who are not yet members, come join us and help with our council's activities. If you like record-keeping, there are enough forms, budgets, surveys, scrap-books, schedules, receipts, audits, etc. to make a bureaucrat as happy as a clam at high tide. For the sports-minded, there basketball free-throw contests and youth activities. There are family programs, community programs, church programs. Whatever you like, you're sure to find it in

AWARDS NIGHT

Five Families of the Month each received

the Knights of Columbus.

Ours is a "small" council, as defined by membership enrollment. But we do as much and more than "large" councils that have over 400 men. Just look at our record: best in state --- star council --- best scrapbook --- distinguished council.

Do we need more members to help with our programs? You bet we do. It's the only way we can go onward and upward. Sure, there's work involved. But there's also a lot of satisfaction!

We especially need you in this time of transition in our Holy Cross parish. With our pastor leaving this month, we must all help to keep our church strong and unified. Let us keep up the great esteem and heritage that Father Harry is leaving for us at Holy Cross. What better way than to become an active member of our K of C council. Contact me, Tony Petite at 996-3867 or Bill Gerichten at 993-5415.

JANUARY — YOUR BUSINESS BELONGS HERE

Do you know that the Knights of Columbus can offer you IRAs and Keogh Plans (U.S.) RRSPs (Canada)? Do you know enough about them to decide whether or not they fit into your financial picture?

I would like you to answer three questions:

1. Are you, like most people, interested in saving money?
2. Do you find it difficult to save under common saving methods?
3. Take the number of years you've been working times your average salary. What percentage of that income have you saved so far? How much will you save in the future?

If your answers bother you, I would like the chance to sit and talk with you (and your wife, of course) about our alternatives — annuities and tax-sheltered savings at highly competitive interest rates. You need not look anywhere else but your own Order for your financial needs. Other institutions bombard you with ads for business at this time of year. We just keep doing what we have been doing since Father McGivney founded the Order — taking care of our members and their families.

Call me today. I want to hear from you.

Nine Knights of the Month each received a K of C baseball cap. Twelve Certificates of Appreciation each received a praying hands pen.

COUNCIL THIRD YEAR ANNIVERSARY PARTY

Wine and cheese was served, as well as Coke and chips for the children. Twenty knights with their families attended, for a total of 60 people. Good fellowship was enjoyed by all after the ceremony.

PATRIOTISM AND VOCATION ESSAY WINNERS

Dawn Petite and Emily Greene are our council's winners and will be entered in the state contest. Thanks Emily and Dawn and good luck. Each lady will receive a twenty five dollar savings bond.

GRAND KNIGHT'S CORNER

Now that the big snows of '87 are melting, and people can travel by car again, it's time for us Knights to get back on track. We must finish our Columbian year with a flurry (sorry about the pun) of participation in the many activities we have in the coming months. What would be a better way than to bring a new member with you to our First Degree exemplification on Wednesday, Feb 11 at 7:30 pm?

With our parish in pseudo-administrative limbo and also its financial problems, the Knights of Columbus will be called upon for additional help. We can surely use the additional members in our council. Many hands make light work. So let's start the mid year right: ask someone to join.

Brother Knights, on Feb 7 & 8 we will have an open house recruitment --- help is needed --- please stop by and assist our council in recruiting new members.

INTERIM PASTOR FATHER CLARKE

We welcome Third Degree Knight Father Jerry Clarke to our council and our community. You know without asking that you can call on your brother knights for any assistance you need. Welcome and

OH, WHAT A KNIGHT! : A LITTLE REMINDER

Well, it's now early 1987, and it's back to business as usual. Still, there's a constant need to keep reminding ourselves to stay involved with the activities we do as Knights. What matters is that as Knights we had better be involved in one form or another. Whether it be many raffles, operation LAMB, the scouts, CCD, drug awareness, pro-life, or whatever project, our watchword for 1987 should be dedication. With a lot of events coming up, and especially with our new pastor, isn't it worth the time and trouble, whenever possible to make sure our council, church, and community are the best they can possibly be? Speaking of which, it's about time I got back to doing my part. Let me get this ladder back where it belo-(CRASH!) Ohh, nooo---not that window again.....

Founders' Day Celebration

Y'all come! Come join us in our 105th anniversary of the Knights of Columbus. We are planning a full day with many activities, on Sunday March 29.

First, at 10:00 am, a K of C mass at Holy Cross Church with a Fourth Degree honor guard. Then during mass a coporate communion service. This will be followed by a breakfast at Shoneys in Greensboro (take the airport exit). At 6:00 pm there will be covered dish supper in the Commons hall. We will have awards and special guests at our supper. So please join us on this special day --- all knights and their families are welcome. Good fellowship brings unity, and this will be a good time to meet other knights and their families.

Hope to see you all there.

G.K. Tony

PROGRAM #100

The 100th activity of our council in the '86-'87 Columbian Year occurred on February 15th. It was a business meeting highlighted by a First Degree admission installation. Congratulations to all my brothers and the degree team.

Thank you.

ROOKIE KNIGHT'S CORNER

To the newcomers:

During last week, the council and I had the privilege of welcoming five more men into our ranks. To them I offer greetings and sincerely hope they know what this means to the community of Holy Cross. In fact, watching the initiation reminded me of some words of wisdom that we should all keep in mind. Matthew 5:14,16 says "You are the light of the world. Shine your light before all men so that they may see the glory of your heavenly Father." If we are to remain true to our cause, hadn't we better do all that we can to shine a light for the people of Kernersville, much less Holy Cross, to follow? Just thought I'd shed some light on that subject.

Congratulations and welcome, new rookie knights.

With God's love and Mary's grace,

Matthew A. Gillis

FIRST DEGREE ADMISSIONS

On Feb 11 the council held a First degree with the following new members added: Ben Berwanger, Dan Kinney, and Gary Tholen. Then on the following Sunday, Feb 15, we did it all again for two more members: Larry Thielman and Tom Zeman. Congratulations, men! You are welcome and needed.

MARCH — IT TAKES MORE THAN MONEY

Most commodities can be bought provided you 1) have the money, 2) can find a willing seller, and 3) can agree on a sale in like manner, most investments — real estate, stocks, bonds, mutual funds, bank accounts — require only an arm's length and a deal is struck. All it takes is money.

There is one notable exception to the above statements. The purchase of life insurance. When the purchase of life insurance in addition to setting aside dollars, the prospective insured must prove that he is in good health. If a man is deemed to be no amount of money will make this commodity available to him.

The ability to qualify for life insurance is an asset that is temporary at best. Without warning, your health can fail, and you are unable to add to your life insurance program. Other hazards may prevent you from qualifying — occupation, character. What would happen if you suddenly woke up and decided to buy life insurance, but had lost your ability to qualify for it? That?

I can tell you about our guarantee purchase option. Think of that! The ability to secure additional insurance, depending on your option, on a guarantee basis — without necessarily being in good health. This option can be added at issue of a policy through age 37. Find out at your convenience how little it costs to guarantee the right to increase your protection.

Call me today for an appointment. I want to hear from you.

ALUMINUM DRIVE

Our aluminum drive is still going on thanks to brother Jim St. John. Jim presented a check for \$33.00 to the council. This leaves a balance of \$37.00 to go to pay for our 1st degree paraphernalia.

Please keep those pots and cans coming in. Thanks, Jim.

GRAND KNIGHT CORNER

A Special Day in Many Ways

Our K of C mass was highlighted by the participation of the Fourth Degree honor guard. Many thanks to the Abbot Vincent Taylor Assembly honor guard and the commander Tom Cullen for exhibiting the true meaning of respect and dignity our eucharist should maintain. Breakfast at Shoney's was attended by 16 members plus their families, which was then followed that evening by our awards and founders supper in the church hall, with 75 people in attendance.

All in all it was a full and complete day, which exhibited the principles of the Knights of Columbus: Charity, Unity, Fraternity and Patriotism. We also exhibited the reason for our fraternal organization, to better Church, Family, Youth, Council, and Community program involvements.

PANCAKE BREAKFAST

The council held a very successful breakfast to pay for church equipment. A tip of the hat to brother Dave Reinhart and all the knights that worked the breakfast. We had some rough edges that will need futur polishing, but all in all everything went well. Even though our church breakfast was blessed by unrequested holy water (the roof leaked) before hand. We will be having another breakfast on May 2.

STATE RAFFLE TICKETS

Please turn in all your state raffle tickets at our business meeting on April 8, sold or not. Our council must return ALL OF THEM to the State council BEFORE April 14, 1987.

— GOOD ADVICE

ber your teacher's good advice? "Always start each project with an outline. It will give you the right direction." Experience tells us the same idea works when it comes to getting ahead on the job — or in planning for individual or family security. But, in the latter planning, your outline cannot be completed alone.

the trained advice of your Knights of Columbus Insurance Agent and the Order's long and practical experience in the life ce business to help you prepare your plans for the years ahead. I will be happy to help you chart and build a sound economic Better yet, I'll do it with an individual insurance plan keyed to your own needs and goals.

OPERATION LAMB

On March 12, G.K. Dick Gooley of Santa Maria #2827, and G.K. Tony Petite of Holy Cross #8509 jointly presented Operation LAMB proceeds to retarded childrens foundations. Holy Cross gave \$6,450 to Mr. Byrd & Horizons Residential Care Center for the purchase of a Parker hydraulic bath unit. Santa Maria council presented checks to several different retarded childrens schools and homes.

It was a great feeling of satisfaction. Well done, brothers, the time and effort was all worth while. And thanks to the families and outside support we had during our campaign.

The presentation ceremony was taped by WXII-TV Channel 12, which should certainly give the Knights of Columbus some welcome publicity in the state.

The drawing was performed by our visit G.K. John Harrison of Clemmons. The winner Mr. Thomas from Rocky Mount, N.C.

PANCAKE BREAKFAST

The council held its second pancake and sausage breakfast on May 3. Dan Kinney did a fine job of organizing and running the event. Thanks to all who helped cook, serve, and clean up. The chair rack finally arrived, and we still waiting for delivery of the folding chairs we ordered. This equipment for the church hall was paid for by our first breakfast.

TRIVIA NIGHT III

Thirty six people attended, some even from out of state. Some tried their hands at "Idiotics Pursuit" and found the game appropriate. The winning table was the Qui Six. One of the tables tried to influence moderator by feeding him pizza. They came close!

KNOWING ABOUT A VACATION

Effects of spring have had their affect on you. Initially, getting outdoors is the obvious thing to do. We start by poking around working on the lawn, attending softball practice, dusting off the gas grill.

The sense that vacation time is near. This pleases everyone. It doesn't matter whether we are planning an elaborate vacation or just enjoy the company of our family at home — the feeling is the same. Vacations are fun.

And properly, chances are that some of our hard earned dollars have been set aside for this occasion. We recognize that if we spend money in the pursuit of enjoyment, the ordinary fixed expenses — mortgage, utilities, etc. — must still be paid. So you can't have it all.

It's good sense. The soundness of the idea is obvious. Isn't it amazing that so many of us see the wisdom of planning for our retirement, but fail to plan our long range vacation — retirement. The government has thought about it and encouraged us to save for retirement at retirement age. Your place of employment has probably thought about it and planned a pension for you.

It is you . . . it's time you thought about it. Find out how you can add to government and employer programs an amount of your own money to provide for you and yours.

Retirement is the longest vacation you'll ever take. Call me today and we'll plan it together.
