1992 "FAMILY OF THE YEAR"

The executive officers would like to nominate a family who has been outstanding and giving to our community and church.

The father has achieved so much in such a short time, being a Knight for only three years, exemplifying much more than the basic principles of our order. He has served as Family Life Director for our council and during his tenure has been instrumental in developing many excellent programs, such as Lenten Dinners and The Seder Meal traditionally held on Holy Thursday. This husband and wife team have contributed much time and energy to the Holy Cross Catholic Community. He is an outstanding member of Holy Cross Church where he is a Eucharistic Minister, usher, CCD teacher and until recently, President of the Parish Council. The wife is a model mother and homemaker. She is a member of Agape, our parish folk singing group and is a CCD teacher.

Together they are Staff Members of the Christian Family Living Center where they have spent numerous weekend hours repairing and maintaining the playground facilities. They are deeply involved in Marriage Encounter. As part of their CCD program they organized and ran an overnight

1992 "KNIGHT OF THE YEAR"

Holy Cross Council's nominee for this most prestigious award is a charter member of our council. He has been a Knight for twenty-six years.

Our nominee is married and the father of four grown children. He has held many offices in our council and is a well respected member of Holy Cross Church.

This year he has taken on the position of Grand Knight of our council. His exemplary performance has led this Council to an outstanding year. Due to his leadership and inspiration many non-active knights have become very involved again.

His ability as a Grand Knight was really expressed in the numerous outstanding council activities that were performed throughout the year. He has been labeled as the "Original Grand Knight". The reason for this is because of all the new and original activities that he has initiated as Grand Knight. Video taped baptisms, Blood Drive, Wives Appreciation Dinner, Knights of Columbus Month, Special Olympics, Renee Green Fund, and special breakfasts for charitable causes to name a few. His good qualities and leadership talents have brought this council back to its origin as one of the best in the state.

retreat for fifteen Confirmation Candidates.

The have two children: Andrew (14) is a student at Walkertown Middle School and is in the Gifted and Talented program and is a member of Odyssey of the Mind. He plays in the band. Daniel (11) attends Brunson School and is in the Highly Gifted and Talented Program. He is an altar boy.

This family is loving, caring and very giving of themselves. They are truly a family that gets involved with church, charity, family, community activities and leads the way for Catholic families to follow. We are pleased and honored to nominate the family off

1992 "GOLDEN KNIGHT OF THE YEAR"

Holy Cross Council's nominee for this most prestigious award is considered to be the council's foundation and pillar of strength. He has been a Knight for thirty-seven years.

His exemplary performance has led his council to the Best in the State Group I Council when he was the Council's second Grand Knight. He has held the following offices: Chancellor, Advocate, Trustee three years, First Degree Chairman, First Degree Team Member, Refreshment Chairman and he started the Council's Aluminum Fund Drive of which he is still Chairman. This fund drive enabled the Council's degree team to be outfitted with new paraphernalia and robes. His finest accomplishment is that he has been the Council's only Operation Lamb Chairman since its existence in 1983, netting close to thirty thousand dollars. This gentleman is always there when he is needed.

Our nominee is married and has six grown children; one son is a Knight and a member of a nearby council.

The month honoring Christopher Columbus and the Knights of Columbus
opened with a 4th degree honor guard at all three masses the first
weekend. The second weekend all masses were staffed by Knights
who served as lectors, ushers, Eucharistic Ministers. All Knights
wore blue sashes adorned with K of C emblem. At the conclusion
of all masses, our Membership Director spoke to the Parish about
Christopher Columbus and his journey to the new world, he gave a
history of the Knights of Columbus and encouraged all men of the
Parish to join the Knights. Tables were manned by Knights, distributed
K of C literature and asked men of the parish to become Knights.
The third weekend a pancake breakfast fund raiser was held and
Knights took this opportunity to recruit new members.
The last weekend of the month tables again were manned, outside the
church, with Knights passing out K of C literature and asked men to
become Knights.

Worthy Grand Knight Phil,

I have never been more proud of the Knights of Columbus than I was during the recent State Special Olympics Bowling Tournament. The response by the knights and wives of Council #8509 was truly outstanding. Your council was responsible for 18 of 135 volunteers. From all indications, this year's program was perhaps the best ever.

It is very apparent that the Special Olympics program is very important to the athletes. It obviously is very important to the members of your council. Many of the volunteers that worked on Saturday, came back on Sunday even though they had originally intended not to help on Sunday. I urge your council to continue this enthusiasm with participation in the Special Olympics at the local, regional, and state level. Please extend my sincere thanks to all members and the families of Council #8509 for supporting the foremost virtue of our order -- Charity.

Vivat Jesus,

ECUMENICAL BLOOD DRIVE

December 10, 1991

Dear Ms. Robins,

Thank you and thanks to the good people of Fountain of Life Lutheran Church for volunteering for our January 11th holiday blood drive. We should get a good turnout after the hectic holiday season is over.

Main Street Methodist Church just held a similar blood drive on November 16th. The required waiting period between donations is eight weeks. January 11 is exactly eight weeks. Not only are they eligible, but with a little encouragement, we can add many more to the list.

We will hold the drive in our fellowship hall. Lots of space for waiting & refreshments. No standing outside in the cold!

Please post the enclosed pledge sheet and promotional material in an appropriate place and ask those who pledge to list their phone numbers. Then we can get a phone committee to give them a reminder the night before.

Steve Villone, who originally contacted you, will call you again on Dec 22 or 23 for a preliminary count. Please call him at 996-3523 if you think you'll be hard to reach.

Then return the pledge sheet to me no later than Dec 30. Mail, Fax, hand deliver, or call and we'll pick it up.

Mail: Robert Lundergan, 1665 Brookford Rd, K'ville NC 27284
Fax: 727-5186 (put my name at the top of the sheet)
Phone: 993-2948 (or call Steve)

Merry Christmas, Happy New Year, and we look forward to seeing you in January!

January 13, 1992

Dear Rev. Dunn,

Our ecumenical blood drive was a huge success! Both the Red Cross and Holy Cross parish were delighted. Our goal was 50 units, and we ended with a total of 92. We would have made over a hundred, but quite a few people left when they saw the long waiting line.

We know a large part of our success was due to the cooperation of Kernersville Moravian Church and other congregations in the Kernersville area. Without your help we might not have reached our minimum goal.

Next time will be different. The Red Cross will send out a larger unit. We can collect more blood and at the same time out down the waiting time of the donors.

Again, thank you for your help in such a worthy cause. May God bless you.

Dear Bob,

Wow! To be perfectly honest with you I was a bit concerned with how productive this drive might be. And, I must admit that I did not expect to be proven as wrong as I actually was. You guys sponsored a spectacular blood drive.

Honestly, we would like to express our sincere gratitude to you and all the Knights who participated in the drive. All the comments that were passed along to me were very positive. Our staff was very appreciative with how your volunteers handled the crowds and felt that their responsibilities were in no way hindered due to traffic control problems.

Here are the official results:

Goal	50
Persons presented	102
Persons deferred	15
1st time donors	7
Productive units	87
% of goal	174%

We will definitely be prepared for 75 - 100 for our next drive. Speaking of a next drive, I noticed on the "sponsor evaluation sheet" that you guys might be willing to sponsor two drives a year. We would like for you to sponsor a summer visit if possible. Present the idea to the Knights and let me know if you would prefer a visit in June or July.

Thanks again Bob for sponsoring a super drive [in your "Commons Room"!]. Pass along our sincere thanks to all the guys for pulling off a positive community event.

Sincerely,

Tim McCoy

Renee Green out of the coma, responds to parents, friends

By JOHN STAPLES
Kernersville News Leader

Renee Green, the 8-year-old Kernersville girl who was critically injured in an automobile accident here July 15, is back at home and improving.

It is a coma for a little more than six months, the blonde-haired daughter of Terry and Linda Green came out of it just in time for her ninth birthday on Jan. 29.

"Two days before her birthday, I was watching her and for the first time she actually found her nose with her hand," said Terry Green. "She has progressed since then."

Since coming home, Renee has been able to say a few words and has attempted to put them into short sentences. But the going has been rough. "She tries to communicate," said her father. "She doesn't always get it straight."

Continued From Page 1
Frequently while she was at Baptist Hospital, said Renee's improvement is obvious. "It is an effort for her to smile, but when she does, it is a pretty smile that warms your heart," said Bailey.

"She's in her negative stage right now," Green said this week. The doctors have explained that one's brain stores all the information that it receives and that many of the things one is told not to do or not to say are repressed. Some illnesses and severe head injuries cause these thoughts and memories to be "washed out" and repressed.

The Greens believe their daughter's being back in familiar surroundings has helped her condition significantly, as well as the love and support of family and friends.

As for friends, the Greens never knew they had so many. "I'm telling you they came out of the woodwork," says Terry Green, a head knitting-machine mechanic at Kayser-Roth Hosiery. Green said the support was so overwhelming while Renee was in N.C. Baptist Hospital that "I just sat down and cried."

Although their company insurance has helped with the astronomical

medical bills, the expense has kept mounting. The Greens' daughter must be fed through her stomach and kept in disposable diapers because she's not able to control her bodily functions. And she has to have round-the-clock care.

But the support has kept coming. Last week the Knights of Columbus, Council #509 of Holy Cross Catholic Church, presented a check to the Greens from a benefit pancake breakfast held Feb. 9. A spokesperson for the Council said Renee "had no idea she would touch so many hearts of the people of Kernersville."

This week the Greens received a check for \$500 and a letter from a Kernersville woman whose daughter had also suffered a traumatic head injury.

Ruth Bailey, a member of Holy Cross Church who has helped the Knights of Columbus with their benefit for Renee and who saw her benefit for Renee and who saw her

said. A fund to help with Miss Green's medical expenses was established at Wachovia Bank and Trust Co. in Kernersville not long after the accident occurred. It is still in effect.

A check for Renee Green, foreground, is presented to Renee's parents, Terry Green and Linda Green, by Philip Lamendola, Jr., Grand Knight of the Knights of Columbus Council 509 of Holy Cross Catholic Church in Kernersville.

She was recently discharged to her home to be cared for by her family, resulting her mother unable to return to her employment. The family must continue her physical therapy and medical care. Renee has a feeding tube, and unable to move. Although improving, she will need medical care and physical for months to come. During this trying time the family has incurred huge medical bills, many of which are not covered by medical insurance. Council #509 conducted a pancake breakfast to raise funds for this worthy cause. February 9, 1992, 178 people came to Holy Cross Commons for the breakfast and help in this worthy cause. Many people attended were from outside the parish. February 11, 1992, The Grand Knight went to the Green home to present a check for \$250.00 to the family.

Dear Knights of Columbus,
Holy Cross Chapter

A sincere thank you to all who helped make last Sunday so special for Megan. Your part in video taping Megan's baptism is truly appreciated. Although her Aunt, Uncle, & cousins were able to come from Alabama for this special event, most of our family were not. By your generosity - we can share with them the beautiful ceremony by video - and we can also enjoy it again.

Thank you also for the beautiful rose and vase. We have placed them on a special shelf in Megan's room as a reminder from this special day. Please know that your efforts truly are appreciated. With best wishes, we remain,

Yours in Christ,
Michael R.
& Megan
Burdson

This note is to thank the Knights of Columbus of Holy Cross for the lovely video & rose we were presented with for our daughter Charlotte's christening. It was a beautiful touch that will always be cherished.

Thank you,
The Ward Family

WORDS FROM THE SUPREME KNIGHT

The future of the world rests in the hands of youth. Youth rests in the hands of the family. So the family, by the job it does in raising young people, is responsible for the future of the world.

Without Christ it will be a bleak world. With Christ the family can look forward to the coming of His kingdom. Therefore we must bring Christ to the youth of the world.

Attention: Mr. Gene Hooks
Athletic Director

Dear Mr. Hooks:

We recently had the pleasure of hearing three scholar/athletes from Wake Forest University address a youth group at Holy Cross Catholic Church in Kernersville.

These three athletes were invited by the Knights of Columbus, specifically by Ron Kleinsch, the father of Bob Kleinsch, one of the speakers, to share with our youth group and parents their college experiences as athletes and as students.

Questions on a multitude of topics, including drugs and alcohol were asked and the answers were honest and sincere. Our teens were impressed because the athletes told it "like it is", and were pleased that the athletes remained after the meeting to sign autographs and to talk to some of the teens one on one.

The three athletes who did a splendid job in representing the University and the Athletic Department were:

Beth Alexander (Field Hockey)
Tom Kleinsch (Football)
Tom Mordica (Football)

We look forward to having some of your athletes with us again next year.

Yours very truly,

Philip Lamendola, Jr.

Dear Mr. Lamendola,

I received a copy of your letter expressing appreciation for two of our football players, Tom Kleinsch and Tom Mordica, for addressing the Holy Cross Catholic Church group in Kernersville. Both of these young men are excellent leaders and good role models in the area. I am very proud of both of them and happy that the Knights of Columbus invited them to come share their views with the youth group.

If I can ever be of help to you, please let me know.

GRAND KNIGHT'S COLUMN

My fellow Knights,
I would like to take this opportunity to thank each and every one of you for your faith and confidence in electing me to be your Grand Knight for the new fraternal year.
Please be assured I will dedicate myself to serving 8509 with the charity, fairness, understanding, hard work and love I can find. I feel these qualities are an integral part of the responsibility I am about to undertake.
If we are to be the dynamic and successful council I know we can be, it will take the cooperation, dedication and prayers of each member we have.
Alone, I can do nothing. Together we can do anything.
Fraternally yours,
Phil Landenda

I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

How the words "UNDER GOD" came to be added to the Pledge of Allegiance to the Flag.
The Pledge of Allegiance to the Flag of the United States originated in 1892. It was written by a young man named Francis Bellamy, who was then a school teacher in New York City. At that time, the United States was celebrating its 40th birthday, and there was a great desire to have a new pledge of allegiance to the flag. Bellamy's pledge was adopted by the United States Congress in 1892. The words "UNDER GOD" were added to the pledge in 1954. This was done at the request of the United States Congress, which was then controlled by the Republicans. The addition of "UNDER GOD" was a response to the growing influence of Communism in the United States. At that time, many people were concerned that the United States was becoming a secular state, and they wanted to make sure that the United States remained a Christian nation. The addition of "UNDER GOD" was a way to make sure that the United States remained a Christian nation.

GRAND KNIGHT'S REPORT

We are about to embark on what will probably be one of the most exciting months of this fraternal year.
As most of you know, October will be our membership drive month. Everyone on the council should strive to recruit as many new members as possible. Remember: All you have to do is ask! How many of you can honestly say that you have asked someone to be a Knight? Think about it. We will open the month with an honor guard on the first weekend.
The third weekend will feature a bake sale and pancake breakfast.
After each mass tables will be set up outside the church manned by knights encouraging men of the parish to join. Remember, while all these activities are going on, the rest of us should also be recruiting. We already have three new brothers. Is it unreasonable to hope for ten more?
In addition to all these activities, we will be honored by a visit from our state Deputy Don Dubois at our meeting on Oct 14.
Brother Mike Facello, our insurance agent, will also be at the meeting to discuss our insurance programs. I urge every brother to bring this meeting.
Again, let me thank all the brothers for their cooperation and enthusiasm for our programs so far this year. I know it will continue and contribute to the success of Holy Cross Council 8509.
Fraternally yours,
Phil Landenda

KNIGHT OF THE MONTH

Without question, the choice for Knight-of-the-month is Brother Richard Cordano.
Brother Cordano was the driving force behind the Knights' effort for the parish picnic. He arranged for the cook, bought all the meat and chicken, organized the team and stayed up all night supervising the cooking.
For a job well done, we thank you, Brother Richard Cordano, Knight of the Month.

Streams

Throughout our lives there weaves a stream.
It's laced with hopes to fill a dream.
A storm will come with winds that blow,
Yet streams of love will fill us through.
So dream your dreams and love your life,
And swim your stream of calm and strife,
And ride your waves of highs and lows.
But trust in where your waters go.

Operation LAMB (Least Among My Brothers) is the single most important activity the knights conduct. What we collect to help retarded children is directly related to the number of volunteers at the shopping centers. We know that November days can be cold and damp, but the knowledge that you are helping those who cannot help themselves compensates for any inconvenience. That's what the Knights are all about.

You will be contacted during the next few weeks and asked to help with LAMB. Please give as much time as you can. Call Jim St. John at 993-2330 if you have any questions.

ALUMINUM DRIVE

You saw it here first. Holy Cross Council's aluminum drive is the oldest and still the best in Kville. So far this Columbus year (beginning July 1) we have received \$41.35 for aluminum of all kinds. All money collected goes directly to support of a seminar. More details of the program called RSVP, in future issues of the KERNER KNIGHT.

Remember, save your cans, pots, pans, old lawn chairs and anything made with aluminum (it doesn't have to be 100% pure aluminum). Bring it to council meetings, to Jim St. John's house at 6300 Lashburne, or call Jim at 993-2330 for a pickup.

GRAND KNIGHT'S REPORT

October has been another outstanding month for Council 8509. All the brothers can take pride in what has been accomplished. As you know, October was membership month and we were successful in generating new-found interest in the K of C. Over the next few months we expect a big increase in our membership.

The Fourth Degree honoring Christopher Columbus and the Knights of Columbus were applauded by the pastor and the parish. The bake sale and the pancake breakfast were a huge success. The K of C rosary recitation was well attended not only by the knights but the parish as well.

To make the month an even greater success we were honored by a visit from our State Deputy Don Dubois. He was impressed by our rose-vase-and-video baptism program, and with all the other exciting things 8509 is doing. All this would not be possible without the help and cooperation of all the brothers. Thank you!! Insurance Agent Brother Mike Facciolo spoke at our October meeting, explaining the stability and soundness of the K of C insurance program. November poses an even greater challenge. All of us need to get behind Brother Jim St. John and give him all the help he needs to make OPERATION LAMB a great success. The more people out there the more money we collect. Make it a family affair --- ask your wife and kids to get out there with you.

Also, in November, we will start our Wheelbarrow of Cheer fund raiser. Be on the lookout for your tickets which will be mailed to you soon.

KNIGHT OF THE MONTH

Brother Mike Kilgarriff for the outstanding job he did in organizing and running the second annual K of C golf tournament at Maple Leaf Golf Course. We know that everyone is looking forward to the next membership month.

GRAND KNIGHT'S REPORT

God has again smiled on Council 8509. We have just completed another successful month in doing what Columbianism is all about.

It appears that we will have one of the best Operation LAMB campaigns in recent years. Brother Jim St. John will give us a report when all the figures are in. Kudos to brother Jim. He did a great job.

We had another First Degree (our third) and our total of new brothers is now nine.

We had a pancake breakfast, the proceeds of which go to our sick fund and sent John a check for \$260.

Our Wheelbarrow of Cheer fund raiser is underway and I encourage each brother to give it his full participation.

The fraternal year is almost half over. We have accomplished much but there is still more to be done. I know that with your help and enthusiasm we can do all that we set out to do.

Again, thank you. I would like to wish all my brothers and their families the most joyous holiday season. Let's do all we can to keep Christ in Christmas.

Vivat Jesus,
G.K. Phil Lamendola

GRAND KNIGHT'S REPORT

Please refer to the "Coming Events" section. As you can see, we have many exciting things planned for the next six months.

We can accomplish our goals only with the help and enthusiasm of each and every brother.

If there are any particular activities you would like to participate in, please call our Deputy Grand Knight Al Kopp.

In the past six months we have had nine new brothers join our council. We must continue in our efforts to recruit new members. Our success as a council depends on it. We need new members and the new idea that come with them to continue being the dynamic council we are.

As always, "IT'S TIME TO ASK." Ask a friend --- a relative --- a fellow worker --- to BE A KNIGHT. ASK HIM TODAY!

Vivat Jesus,
G.K. Phil Lamendola

LAMB A SUCCESS!!

OPERATION LAMB 1991 shattered all Council records. It rates as the finest effort for any program ever undertaken by Holy Cross Council. Some statistics:

- * \$9122.96 for the retarded.
- * Over 55 workers participated.
- * Over 65% of Knights helped.
- * Most worked several shifts.
- * 18,000 Tootsie Rolls used.

We are now working on joint fund distribution with other district councils. There are many worthy requests for the help we give. Future editions of the KERNER KNIGHT will report on where the money went.

THANK YOU to all the Knights, to their caring families who participated and sacrificed precious time with their loved ones, to the friends of the Knights who worked side by side with us, to all the people of the parish who gave, and mostly to the wonderful people of Kernersville who gave and gave to help our special children.

THANK YOU for your prayers, your time, and your money.

Jim St. John
Operation Lamb Chairman

ESSAY & POEM CONTEST

All children in grades 6, 7, & 8 have an opportunity to win a savings bond by entering the K of C Essay and Poem Contest. The contest runs from 12/1/91 thru 2/1/92. The theme is "What is God Calling Me to Do?" contact Al Kopp for further details --- 996-2947.

SPECIAL OLYMPICS

Eighteen brothers and their wives volunteered their time to work as lane monitors at the Special Olympics State Bowling Tournament held in Greensboro Feb 1st & 2nd. All who were there can attest that this was one of the most satisfying and rewarding events in which any of us have ever been involved. Given a chance we would all lovingly do it again. State Advocate John Harrison, the volunteer coordinator, sends his thanks to everyone who participated. I know the athletes thank you. And I thank you.

ALUMINUM

Aluminum can sales for the months of January and February amount to \$28.50, bringing the '91-'92 Columbian year total to \$152.60. This is good work, but because the price of aluminum is down, we are trailing last year.

Remember that the proceeds of the can sales go to assist a Oblate seminarian. Cans and other aluminum scrap should be brought to K of C meetings or at any time to Jim St. John's house at 6180 Lamshire. Any questions? Call Jim at 993-2330.

SPECIAL OLYMPICS

The Special Olympics will be held Feb 1st & 2nd at Buffalo Lanes in Greensboro. The K of C has been asked to serve as lane assistants. We will need a minimum of 35 volunteers (knights & wives) per day.

A training session will be held at Buffalo Lanes in late January. Make-up sessions will also be held. Each volunteer will receive a Special Olympics T-shirt.

The Olympic Games are:
Sat Feb 1 11:00 am - 4:15 pm
Sun Feb 2 8:00 am - 11:30 am
Volunteers can work either on both days, and are not limited to knights or their families. If you would like to help please contact Phil Lamendola (784-8787) or Al Kopp (996-2947). We must hear from you no later than Jan 15th.

WE CAN TOP THIS!

Keep those cans rolling in to Brother Jim St. John! This month, we add \$42.75 to the RSVP fund, making it \$124.10 for the Columbian year which started July 1, 1991. Aluminum prices are down, so we need more cans to make a buck. Remember the cause: to assist an Oblate seminarian with his education. Bring those empty holiday beverage cans to the Jan. 13 meeting, bring them to Jim's place, 6380 Lamshire, or call Jim at 993-2330 to arrange a pickup.

OPERATION LAMB SUMMARY

The final OPERATION LAMB tally is \$9122.96. Rounding out dollars. Here's where it went: Candy cost us \$1035, 11.3% of the gross. Aprons were \$49, 0.05% of the gross. The remainder, \$8043, went directly to aid the retarded in North Carolina.

The K of C State Council has a number of large scale retarded assistance activities, to which we contributed \$1609, 17.6% of our collections.

Together with three councils in Clemmons and Winston-Salem, we were able to jointly contribute \$26,236 to assist the retarded in Forsyth County. For this, we contributed \$6434, or 70.5% of our gross.

In Forsyth, the money will be divided among the following:

Applecross House
Winston-Salem Enrichment Center
Bethatha Hills
Special Children's School
Horizons House
Human Service Alliance
Family Services
Children's Center
Group Homes
United Methodist Association
Thomas Jefferson School

Thanks again for all your help.

OPERATION LAMB AWARDS DINNER

The awards dinner will be held at St. Leo's on March 15th. All knights and their families are invited to attend. Contact Phil Lamendola or Jim St. John to register.

GRAND KNIGHT'S REPORT

February has come and gone and we have accomplished what we set out to do. Each activity was a success because of the efforts of all the brothers and because you all care about this council.

--- GK Phil Lamendola
