1989-1990

IN LOVING MEMORY
FATHER MICHAEL J. MCGIVNEY
August 12, 1852—August 14, 1890

O great and glorious God, You imbued Your holy priest, Father Michael J. McGivney, with deep priestly virtue and especially with pastoral concern for the poor, the orphan, the widow, for the Christian education of youth, for the protection of the faith of the working man of his day.

Now that his priestly ministry continues to spread to countless millions throughout the world, through the efforts and influence of the Order of the Knights of Columbus, which Father McGivney founded, we beseech You, Heavenly Father, to raise Your faithful servant, Michael, to the honors of the altar. We ask this favor through our Lord Jesus Christ and His Holy Mother, Mary and our Mother, Amen.

Composed by the Most Rev. Charles P. Greco,
Former Supreme Chaplain of the Knights of Columbus

Bishop Daily: new appointment

Knights of Columbus Supreme Chaplain Bishop Thomas V. Daily has been appointed by Pope John Paul II as Bishop of Brooklyn, N.Y. His appointment was announced February 20. He will succeed Bishop Francis J. Mugavero who retired. Supreme Knight Dechant applauded the appointment and issued the following statement: "On behalf of the Knights of Columbus, I extend congratulations to Bishop Thomas V. Daily, Supreme Chaplain of the Order, upon his appointment as Bishop of Brooklyn. The prelates of all Knights of Columbus and their family members accompany him as he undertakes this new pastoral responsibility entrusted to him by Pope John Paul II."

Bishop Thomas V. Daily
Supreme Chaplain

"Bishop Daily grew up in a genuine Knights of Columbus family, and his ties with the Order are deep and strong. Especially in these past three years as ninth supreme chaplain, he has made a significant contribution to the growth and development of the Knights of Columbus by his prudence, his wisdom, and his kindness, as well as by the inspiring example of his priestly zeal. I trust that as supreme chaplain he will continue to render these great services to the Order for many years to come."

"I also wish to extend my congratulations to the Knights of Columbus in Brooklyn and to all the

Catholic people of that large and important diocese. Blessed by the ministry of Bishop Francis J. Mugavero for many years, you now have a worthy successor in Bishop Daily."

A native of Belmont, Mass., Bishop Daily was ordained a priest of the Archdiocese of Boston in 1952. His father, John F. Daily, was state deputy of Maine from 1918 to 1921 and served after that as a program consultant for the Supreme Council in New England and the Maritime Provinces of Canada. Bishop Daily served as a missionary in Peru for five years as a member of the Society of St. James the Apostle. Pope Paul VI appointed him Auxiliary Bishop of Boston in 1975, and Pope John Paul II named him the first Bishop of Palm Beach, Fla., in 1984. The bishop was elected supreme chaplain in February 1987. He succeeded the late Bishop Charles P. Greco, retired Bishop of Alexandria, La.

Bishops' workshop funded

Pope John Paul II expressed thanks to the Knights of Columbus "for their generous assistance" in funding the annual bishops' workshop on medical issues sponsored by the Pope John XIII Medical-Moral Research and Education Center. Nearly 175 bishops from the United States, Canada, Mexico, the Caribbean, Central America and the Philippines attended this year's workshop, held February 9-9 in Dallas.

Pope John Paul, in his message to the workshop, urged the bishops to strive to depict "the profound confusion regarding fundamental principles of life and action affecting many people today."

A constant factor of the human person's dignity as a creature, created by Christ, is the capacity to know and observe the objective moral order," he said.

In remarks welcoming the bishops to the workshop, Supreme Knight Virgil C. Dechant said that "as a lay order, the Knights of Columbus has always had as one of its basic principles respect for the priesthood."

Support for the annual medical-moral workshops for bishops is an expression of its commitment to be of assistance to the clergy and hierarchy, he declared.

The workshop, the sixth of its kind organized by the Pope John XIII Center of Bannockburn, Mass., has as its theme, "The 25th Anniversary of Vatican II: A Look Back and a Look Ahead."

Squires Month

In anticipation of April, "Columbus Squires Month" throughout the Order, I wish to convey a special word of greeting to these young men, our Squires, who participate in the Squires program, a time-tested and proven school for leadership.

Also wish to thank those council Squires who sponsor a Squires circle, and those Knights who serve as the benefactors of these "future Knights."

This year, on August 4, the Squires will celebrate 65 years of existence, having been founded on that date in 1925 by Brother Barnabas at Duluth, Minnesota.

The fact that our official junior branch has succeeded over such a long period of time shows that it is relevant to the needs of young men today, as it was in days gone by. For this reason, I would encourage those councils without a Squires circle to form one, as the evidence shows it to be true that the program is one of the simplest to operate, is designed so that the young men do just about everything themselves. The role of the counselor is collaborative effort to provide advice and guidance when necessary and to keep the circle's initiatives on target.

During "Squires Month," April, your council will include a presentation of the Order's audio-visual "Something More," which explains the Squires program in detail. If your council already sponsors a circle, it will reinforce your members' interest in keeping it going. If you do not have a circle, it surely will inspire even a few of your members, interested in outreach to young people, to look into the possibility.

The Department of Fraternal Services has a multitude of ideas for a council to make "Squires Month" a noteworthy event, especially in this 65th anniversary year. Some suggestions: Why not have a Knights-Squires Communion Breakfast a speaker on film on religious vocations. Squires Knights has a booklet on subal gentry, a joint membership recruitment drive?

However you mark "Squires Month"—by a sponsored event or by its inspiring circle or young men will get the message. We care about you.

The fact that our official junior branch has succeeded over such a long period of time shows that it is relevant to the needs of youngsters today, as it was in days gone by.

PROGRAM SUPPLEMENT

Issue #5 Prepared by Maria A. Stodols March 1, 1990

Spring is nearly here, which means that the end of the fiscal year is approaching fast. Less than four months remain for your council to meet its membership and insurance quotas, conduct and document service programs and qualify for year-end council awards. Plan now to finish the year of Father McGinley, Founder, Columbus and ultimately Star Council Award winner.

The Star Council Award is the most prestigious award a council can achieve. It represents excellence in membership recruitment and retention, insurance promotion and service programs. Keep the award requirements in mind as you complete the fiscal year.

Father McGinley Award: The Father McGinley Award is presented to those

councils that demonstrate excellence in membership recruitment and retention. To win the award, a council must have submitted the Service Program Personnel Report Form (PSR) by September 1, 1989 and received a 2.5 star rating in insurance for the fiscal year. There is no application form for this award. It is automatically determined from records in the Supreme Council office.

Founders' Award: The Founders' Award is presented to those councils that demonstrate excellence in insurance promotion and service programs. To win the award, a council must have submitted the Service Program Personnel Report Form (PSR) by September 1, 1989 and received a 2.5 star rating in insurance for the fiscal year. "THE LIFE AND LEGACY OF FATHER MCGINLEY"

The 1990 "SHARE THE SPIRIT" campaign presents a challenge—to recruit new members in honor of our founder, Father Michael J. McGinley. How do we pay tribute to a man we never knew? Father McGinley died 150 years ago and many members of the organization he brought to life know little about him.

To help knights and prospective knights and their families learn about the man we are paying tribute to in our membership campaign, a new Supreme Council video has been produced. "The Life and Legacy of Father McGinley" tells the story of the holy and tireless priest, whose vision of a Catholic youth society became the Knights of Columbus.

As a boy in Waterbury, Connecticut and later as a priest at St. Mary's Church in New Haven, Michael McGinley knew firsthand the struggles of the working class. He grew convinced of the need for a society that would strengthen religious

faith and provide for the financial needs of members. In 1882, Father McGinley founded the Knights of Columbus and captured the spirit and imagination of the Catholic community. His vision of a Catholic youth society became the Knights of Columbus. In 1882, Father McGinley was 18 years old. Although his life was short, his impact was profound. He died in 1890 at age 38. His vision is inspirational.

"The Life and Legacy of Father McGinley" is available to councils on a free basis via VHS videotape. To receive your copy, contact the Supreme Council Department of Fraternal Services, One Columbus Plaza, New Haven, CT 06507-0901 or write to: Father McGinley, One Columbus Plaza, New Haven, CT 06507-0901.

Interested churches to add: The Life and Legacy of Father McGinley is included in the "SHARE THE SPIRIT" videotape forwarded to every star grand knight of record.

COMMUNITY ACTIVITIES

NATIONAL VOLUNTEER WEEK

As we embark upon a new decade, let us remember to believe in a bright future. The reason is the millions of volunteers who help make the difference in meeting community needs. "National Volunteer Week," celebrates our nation's volunteers, those strong stars who do not reward others from a sense of satisfaction, work on behalf of hunger, homeless, sick, disabled, old and young people—anyone who needs support. This year, National Volunteer Week is April 22-28.

The Knights of Columbus is proud to be part of the community of volunteers. The Order and many communities of brother knights to the Catholic Church, the community, the family and youth are vital to our existence. The Supreme Council group plan to commemorate National Volunteer Week and urge local councils to join in the event.

In the spring of 1982, there was growing concern throughout America over the problems of air and water pollution. This concern was expressed by the National Earth Day Act, signed by President Carter on April 22, 1970, the first Earth Day. This national event marked a new found commitment to preserving our environment.

STUDY GUIDE AVAILABLE

In 1987, the World Synod of Bishops was convened by His Holiness Pope John Paul II to discuss "The Vocation and Mission of the Laity in the Church and in the World Twenty Years After the Second Vatican Council." In 1989 the Holy See issued the Holy Father's post-synodal apostolic exhortation, summarizing up the discussions of the synod and offering his own insights. This document, **Christifideles Laici** (The Lay Members of Christ's Faithful People), is extremely important to all individuals who strive to be responsive to our Lord's call to the gospel. It is of particular value to an organization of Catholics known as the Knights of Columbus.

Our Order has made a commitment to help disseminate the Holy Father's teachings on the laity. Toward that end, we have produced a study guide to the text of **Christifideles Laici**. The study guide is available for use as an aid to contemplation and discussion of the Holy Father's words, either in a council or parish study group setting or for personal enrichment. The study guide is available at no charge from the Supreme Council Department of Fraternal Services. Simply complete the coupon below to order your copy.

I.R.S. Form 990 update

Each year the Supreme advocate to all state councils, subordinate councils and Fourth Degree assemblies located in the United States a memorandum regarding the filing of the annual federal information return, I.R.S. Form 990. The memorandum together with sample copies of the revised forms - the full 990 Form and a new 990 E Form - the memorandum will be prepared as in the past.

Even though the forms have not yet been provided by the I.R.S., the due date for filing the form remains the same: the 15th day of the fifth month following the close of the entity's fiscal year. That is, if a calendar year filing takes place, the form is due May 15, while if a fiscal year ending June 30 has been adopted, the filing is due by November 15th.

Anderson to Civil Rights post

Carl A. Anderson, vice president for public policy for the Knights of Columbus, has been named to the United States Commission on Civil Rights. The appointment was announced by House Minority Leader Robert Michel of Illinois.

Anderson is a former official of an international organization founded by immigrants to the U.S. and representing a variety of ethnic backgrounds. Mr. Anderson comes to the commission with an intimate knowledge of the needs of millions of Americans whose voices are all too often ignored.

Disney trip winners chosen

Fifteen more Knights and their families have been rewarded for their membership recruitment activities, with trips to either Disney World or Disneyland. The all-expense-paid trips were awarded by the Supreme Council to recruits chosen at the membership drive.

Supreme Knight Virgil C. Dechant called Mr. Anderson's appointment "a tangible expression of the historic commitment of the Knights of Columbus to justice and equality under the law for all persons."

Personnel news

Figure J. Canavan, manager of various services, successfully completed all the requirements for the award of the Chartered Life Underwriter from the American College. Supreme Knight Virgil C. Dechant congratulated Canavan on his achievement, saying, "Your willingness to advance your knowledge and skills in the insurance area speaks well of your commitment to the Order's insurance program and to your brother Knights and their families that it serves."

Ms. Mary B. Anderson of East Haven retired from the membership department of the Supreme Council office as of March 1 after 19 years of credited service.

GRAND KNIGHT'S CORNER

Our council is looking forward to meeting the Supreme Council in New Haven, CT, this year. We are excited about the opportunity to meet with the Supreme Council and to share our experiences with the other councils.

As we come to the close of another year, we are looking back on the many accomplishments of our council. We are proud of the many ways in which we have served our community and our fellow Knights.

MEETINGS CHANGED TO 1ST & 3RD FRIDAYS!!

Our council has decided to change our meeting schedule to the 1st and 3rd Fridays of each month. This change is being made to better serve our members and to provide a more consistent meeting schedule.

We are sorry for any inconvenience this change may cause, but we believe it is in the best interests of our council.

ADAPT-A-HIGHWAY PROGRAM STARTED

Our council has signed up for the North Carolina Adopt-a-Highway program. We have "adopted" two roads: Hastings Hill Road, which goes from Hedge Garden to East Forsyth H.S., and Bodemann Street from East Mountain to North Main.

We are committed to keeping these roads clean and free of litter. We will be conducting clean-up activities on a regular basis.
